

The Exchange also believes that the proposal is consistent with Section 6(b)(5) of the Act⁸ because it would not impact the Exchange's governance or regulatory structure, which would continue to be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest, because by increasing Nasdaq's authorized shares of Common Stock and shares of capital stock sufficient to allow Nasdaq to effectuate the Stock Dividend, the proposed rule change will facilitate broader ownership of Nasdaq.

The Exchange also notes that the proposed rule change is substantially similar to a prior proposal by Intercontinental Exchange, Inc. ("ICE"), which is the holding company for three national securities exchanges, including the New York Stock Exchange. The ICE proposal amended ICE's Certificate of Incorporation to effectuate a similar stock split as proposed by the Exchange herein.⁹ As such, the Exchange does not believe that its proposal raises any new or novel issues not already considered by the Commission.

B. Self-Regulatory Organization's Statement on Burden on Competition

Because the proposed rule change relates solely to the number of authorized shares of Common Stock and shares of capital stock of the Company and not to the operations of the Exchange, the Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

¹¹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. SMALL BUSINESS ADMINISTRATION

[Docket No. SBA-2022-001]

Class Waiver of the Nonmanufacturer Rule

AGENCY: U.S. Small Business Administration.

ACTION: Notification of class waiver of the Nonmanufacturer Rule for dental equipment and supplies.

SUMMARY: The U.S. Small Business Administration (SBA) is granting a request for a class waiver of the Nonmanufacturer Rule (NMR) for dental equipment and supplies.

¹² 17 CFR 200.30-3(a)(12).

⁸ 15 U.S.C. 78f(b)(5).

⁹ In particular, the ICE proposal increased ICE's total number of authorized shares of ICE common stock in order to effectuate a 5-for-1 stock split by way of a stock dividend. See Securities Exchange Act Release No. 78992 (September 29, 2016), 81 FR 69092 (October 5, 2016) (SR-NYSE-2016-57, SR-NYSEArca-2016-119, and SR-NYSEMKT-2016-80) (hereinafter, "ICE Approval").

DATES: This action will be effective thirty days after publication of this notice.

FOR FURTHER INFORMATION CONTACT: Carol Hulme, Attorney Advisor, by telephone at 202–205–6347; or by email at Carol-Ann.Hulme@sba.gov.

SUPPLEMENTARY INFORMATION: Sections 8(a)(17) and 46 of the Small Business Act (Act), 15 U.S.C. 637(a)(17) and 657s, and SBA's implementing regulations, found at 13 CFR 121.406(b), require that recipients of Federal supply contracts provide the product of a small business manufacturer or processor if the recipient of the set-aside contract is not the actual manufacturer or processor of the product. This requirement is commonly referred to as the Nonmanufacturer Rule (NMR). 13 CFR 121.406(b). The NMR applies to a contract issued as a small business set-aside (except as stated below); a service-disabled veteran-owned small business (SDVOSB) set-aside or sole-source contract; a Historically Underutilized Business Zone (HUBZone) set-aside or sole source contract; a women-owned small business (WOSB) or economically disadvantaged women-owned small business (EDWOSB) set-aside or sole source contract; or 8(a) set-aside or sole source contract; a partial set-aside; or a set-aside of an order against a multiple award contract. The NMR does not apply to small business set-aside acquisitions with an estimated value between the micro-purchase threshold and the simplified acquisition threshold.

Sections 8(a)(17)(B)(iv)(II) and 46(a)(4)(B) of the Act authorize SBA to waive the NMR for a "class of products" for which there are no small business manufacturers or processors available to participate in the Federal market. The SBA identifies a "class of products" based on a combination of the six-digit North American Industry Classification (NAICS) code and a description of the class of products. A waiver would not have any effect on the requirements in 13 CFR 121.406(b) or on requirements external to the Act that involve domestic sources of supply, such as the Buy American Act, 41 U.S.C. 8301–8305, or the Trade Agreements Act, 19 U.S.C. 2501 *et seq.* As implemented in SBA's regulations at 13 CFR 121.1202(c), to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or been awarded a contract to supply the class of products within the last 24 months.

SBA received a request for a class waiver for dental supplies and equipment. Specifically, the waiver would apply to dental chairs, dental delivery systems, dental lights, dental cabinets, dental stools, dental handpieces, dental infection control apparatus, dental air management systems, and mechanical room equipment under NAICS code 339114. A search of the Federal marketplace confirmed that no small business manufacturers have submitted a proposal or been awarded a contract to supply these products within the last 24 months.

On March 11, 2022, SBA issued a Notice of Intent to grant a class waiver for dental equipment and supplies and provided until April 11, 2022, for members of the public to submit comments. That notice can be found at 87 FR 14084. As there were no comments submitted pertaining to issuance of the waiver, SBA has determined a class waiver is appropriate for dental chairs, dental delivery systems, dental lights, dental cabinets, dental stools, dental handpieces, dental infection control apparatus, dental air management systems, and mechanical room equipment under NAICS code 339114. This class waiver allows otherwise qualified regular dealers to supply the waived items on certain small business contracts, regardless of the business size of the manufacturer. More information on the NMR and class waivers can be found at <https://www.sba.gov/partners/contracting-officials/small-business-procurement/nonmanufacturer-rule>.
