

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

Destroy 3 years after date of approval, completion of service agreement, or termination of incentive or differential payment, whichever is later, but longer retention is authorized if required for business use.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

For Paper Records: Comprehensive paper records are kept in locked metal file cabinets in locked rooms in HUD Headquarters, in the Office of Policy, which is the office responsible for the Student Loan Repayment Program. Access to these records is limited to only those persons who have a need for them in the performance of their official duties. All physical access to the building where the system of records is maintained is controlled and monitored by security personnel who perform security checks on a routine basis.

For Electronic Records: Comprehensive electronic records are maintained and stored in an electronic encryption database system. These records can only be accessed based on the user's rights and privileges to the system. Electronic records are stored on the SharePoint "online", D110 Microsoft Office 365 Multi-Tenant Software (MS O365 MT) environment, which runs on the Department's network (HUD). This environment complies with the security and privacy controls and procedures as described in the Federal Information Security Management Act (FISMA), National Institute of Standards and Technology (NIST) Special Publications, and Federal Information Processing Standards (FIPS). A valid HSPD-12 ID Credential, access to HUD's LAN, a valid UserID and Password and a Personalized Identification Number (PIN) is required to access the Student Loan Repayment Program. These records are restricted to only those persons with a role in the Student Loan Repayment Program, having a need to access them in the performance of their official duties.

For Electronic Records (cloud based): Comprehensive electronic records are secured and maintained on a cloud-based software server and operating system that resides in Federal Risk and Authorization Management Program (FedRAMP) and Federal Information Security Management Act (FISMA) Moderate dedicated hosting environment. All data located in the cloud-based server is firewalled and

encrypted at rest and in transit. The security mechanisms for handling data at rest and in transit are in accordance with HUD encryption standards.

This is not a toll-free number. Copies of available documents submitted to OMB may be obtained from Ms. Guido.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on May 17, 2022, at 87 FR 29871.

A. Overview of Information Collection

Title of Information Collection: Designation as a Single-Family Foreclosure Commissioner.

OMB Approval Number: 2510-0012.

Type of Request: Revision of a currently approved collection.

Form Number: None.

Description of the need for the information and proposed use: Under the Single-Family Mortgage Foreclosure Act of 1994, HUD may exercise a nonjudicial Power of Sale of single family HUD-held mortgages and may appoint Foreclosure Commissioners to do this. HUD needs the Notice and resulting applications for compliance with the Act's requirements that commissioners be qualified. Most respondents will be attorneys, but anyone may apply.

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost
Application for Foreclosure Commissioner	30.00	1.00	30.00	.50	15.00	\$25.00	\$375.00

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
 - (2) If the information will be processed and used in a timely manner;
 - (3) The accuracy of the agency’s estimate of the burden of the proposed collection of information;
 - (4) Ways to enhance the quality, utility, and clarity of the information to be collected; and
 - (5) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
- HUD encourages interested parties to submit comment in response to these questions.
