

required, because revised Rule 10.9232 would state that each Panelist “shall be a member of the Exchange Hearing Board,” thereby making any previous statement redundant. The change would streamline and increase the clarity of the rules, which would contribute to the orderly operation of the Exchange and be beneficial to both investors and the public interest.

For the same reasons, the proposed amendments would remove impediments to and perfect the mechanism of a free and open market by ensuring that persons subject to the Exchange’s jurisdiction, regulators, and the investing public could more easily navigate and understand the Exchange Bylaws and rules. The Exchange further believes that the proposed amendments would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased transparency and clarity, thereby reducing potential confusion.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with the name of the disciplinary committee of the Exchange. Because the only proposed change would be to the name of the committee, there would be no other change to the Bylaws and rules governing the BCC, including those regarding its appointment, composition, or jurisdiction.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁸ and Rule 19b-4(f)(6) thereunder.¹⁹ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative

prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.²⁰

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²¹ of the Act to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-95584; File No. SR-NYSEARCA-2022-54]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rule 7.31-E

August 23, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 10, 2022, NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 7.31-E to add Commentary .03 providing for the temporary suspension of the Discretionary Pegged Order. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 7.31-E to add Commentary .03 relating to Discretionary Pegged Orders.

Rule 7.31-E(h)(3) provides that the Discretionary Pegged Order is a non-displayed order type that is pegged to the same side of the PBBO. The price of a Discretionary Pegged Order automatically adjusts as the PBBO moves, and a Discretionary Pegged Order will exercise the least amount of discretion necessary to trade with contra-side interest. A Discretionary Pegged Order will not exercise discretion if the PBBO is determined to be unstable via a quote instability calculation that assesses the probability of a change to the PBB or PBO, thereby offering protection against unfavorable executions during periods of quote instability.

The Exchange proposes to add Commentary .03 to Rule 7.31-E to provide that the Exchange will temporarily suspend use of the Discretionary Pegged Order beginning on August 10, 2022. Proposed Commentary .03 would also provide that the Exchange will file a proposed rule change providing for the end of the

suspension period and provide notice of the end of the suspension period by Trader Update. The Exchange proposes this change to provide clarity in its Rules regarding the unavailability of the Discretionary Pegged Order for a temporary period.

The Exchange would be able to implement the proposed rule change beginning on August 10, 2022, upon effectiveness of this proposed rule change.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5),⁶ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed change would promote just and equitable principles of trade, foster cooperation and coordination with persons engaged in facilitating transactions in securities, and remove impediments to, and perfect the mechanism of, a free and open market and a national market system by updating Exchange rules to specify that the Discretionary Pegged Order would be unavailable to ETP Holders for a temporary period and that the Exchange will file a proposed rule change providing for the end of the suspension period and provide notice of the end of such period by Trader Update.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed change would not address any competitive issue but would remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, protect investors and the public interest by updating Rule 7.31-E to provide for the temporary suspension of the Discretionary Pegged Order, thereby providing clarity in Exchange rules
