

This draft guidance is being issued consistent with FDA's good guidance practices regulation (21 CFR 10.115). The draft guidance, when finalized, will represent the current thinking of FDA on "In Vitro Permeation Test Studies for Topical Products Submitted in ANDAs." It does not establish any rights for any person and is not binding on FDA or the public. You can use an alternative approach if it satisfies the requirements of the applicable statutes and regulations.

II. Paperwork Reduction Act of 1995

While this guidance contains no collection of information, it does refer to previously approved FDA collections of information. Therefore, clearance by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501–3521) is not required for this guidance. The previously approved collections of information are subject to review by OMB under the PRA. The collections of information for the submission of ANDAs have been approved under OMB control number 0910–0001. Applicant submission of controlled correspondence related to generic drug development and FDA approval is approved under OMB control number 0910–0797. The collections of information that support Good Laboratory Practice for Non-Clinical Laboratory Studies have been approved under OMB control number 0910–0119. The collections of information in part 320 for "Investigational New Drug Safety Reporting Requirements for Human Drug and Biological Products and Safety Reporting Requirements for Bioavailability and Bioequivalence Studies in Humans" have been approved under OMB control number 0910–0014. The recordkeeping requirement for CGMP sample retention in 21 CFR 211.170 has been approved under OMB control number 0910–0139.

[Docket No. FDA–2022–D–1859]

In Vitro Release Test Studies for Topical Products Submitted in Abbreviated New Drug Applications; Draft Guidance for Industry; Availability

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice of availability.

SUMMARY: The Food and Drug Administration (FDA or Agency) is announcing the availability of a draft guidance for industry entitled "In Vitro Release Test Studies for Topical Products Submitted in ANDAs." This draft guidance provides recommendations for in vitro release test (IVRT) studies for locally acting liquid-based and/or other semisolid topical products. This draft guidance is intended to assist applicants who are submitting abbreviated new drug applications (ANDAs) for such products, by providing recommendations for IVRT studies, which can be used to support a demonstration that two topical products are bioequivalent.

DATES: Submit either electronic or written comments on the draft guidance by December 23, 2022 to ensure that the Agency considers your comment on this draft guidance before it begins work on the final version of the guidance.

ADDRESSES: You may submit comments on any guidance at any time as follows:

Electronic Submissions

Submit electronic comments in the following way:

- *Federal eRulemaking Portal:* <https://www.regulations.gov>. Follow the instructions for submitting comments. Comments submitted electronically, including attachments, to <https://www.regulations.gov> will be posted to the docket unchanged. Because your comment will be made public, you are solely responsible for ensuring that your comment does not include any confidential information that you or a third party may not wish to be posted, such as medical information, your or anyone else's Social Security number, or confidential business information, such as a manufacturing process. Please note that if you include your name, contact information, or other information that identifies you in the body of your comments, that information will be posted on <https://www.regulations.gov>.

- If you want to submit a comment with confidential information that you do not wish to be made available to the public, submit the comment as a written/paper submission and in the manner detailed (see "Written/Paper Submissions" and "Instructions").

Written/Paper Submissions

Submit written/paper submissions as follows:

- *Mail/Hand Delivery/Courier (for written/paper submissions):* Dockets Management Staff (HFA–305), Food and Drug Administration, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852.

- For written/paper comments submitted to the Dockets Management Staff, FDA will post your comment, as well as any attachments, except for information submitted, marked and identified, as confidential, if submitted as detailed in "Instructions."

Instructions: All submissions received must include the Docket No. FDA–2022–D–1859 for "In Vitro Release Test Studies for Topical Products Submitted in ANDAs." Received comments will be placed in the docket and, except for those submitted as "Confidential Submissions," publicly viewable at <https://www.regulations.gov> or at the Dockets Management Staff between 9 a.m. and 4 p.m., Monday through Friday, 240–402–7500.

- *Confidential Submissions—*To submit a comment with confidential information that you do not wish to be made publicly available, submit your comments only as a written/paper submission. You should submit two copies total. One copy will include the information you claim to be confidential with a heading or cover note that states "THIS DOCUMENT CONTAINS CONFIDENTIAL INFORMATION." The Agency will review this copy, including the claimed confidential information, in its consideration of comments. The second copy, which will have the claimed confidential information redacted/blacked out, will be available for public viewing and posted on <https://www.regulations.gov>. Submit both copies to the Dockets Management Staff. If you do not wish your name and contact information to be made publicly available, you can provide this information on the cover sheet and not in the body of your comments and you must identify this information as "confidential." Any information marked as "confidential" will not be disclosed except in accordance with 21 CFR 10.20 and other applicable disclosure law. For more information about FDA's posting of comments to public dockets, see 80

SUPPLEMENTARY INFORMATION:

I. Background

FDA is announcing the availability of a draft guidance for industry entitled "In Vitro Release Test Studies for Topical Products Submitted in ANDAs." This draft guidance provides recommendations on IVRT studies for locally acting liquid-based and/or other semisolid topical products. This draft guidance is intended to assist applicants who are submitting ANDAs for such products, by providing recommendations for IVRT studies, which can be used to support a demonstration that two topical products are bioequivalent.

Once validated, an IVRT study may also be useful in controlling product quality and/or establishing acceptability of post-approval manufacturing changes. This draft guidance focuses on general considerations and recommendations for the method development, method validation, and conduct of IVRT studies that are submitted in ANDAs and intended to support a demonstration of bioequivalence.

This draft guidance is being issued consistent with FDA's good guidance practices regulation (21 CFR 10.115). The draft guidance, when finalized, will represent the current thinking of FDA on "In Vitro Release Test Studies for Topical Products Submitted in ANDAs." It does not establish any rights for any person and is not binding on FDA or the public. You can use an alternative approach if it satisfies the requirements of the applicable statutes and regulations.

II. Paperwork Reduction Act of 1995

While this guidance contains no collection of information, it does refer to previously approved FDA collections of information. Therefore, clearance by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3521) is not required for this guidance. The previously approved collections of information are subject to review by OMB under the PRA. The collections of information for the submission of ANDAs have been approved under OMB control number 0910-0001. Applicant submission of controlled correspondence related to generic drug development and FDA approval is approved under OMB control number 0910-0797. The collections of information that support "Good Laboratory Practice (GLP) for Non-Clinical Laboratory Studies" have been approved under OMB control number 0910-0119. The collections of information in 21 CFR part 320 for "Investigational New Drug Safety Reporting Requirements for Human Drug and Biological Products and Safety Reporting Requirements for Bioavailability and Bioequivalence Studies in Humans" have been approved under OMB control number 0910-0014. The recordkeeping requirement for CGMP sample retention in 21 CFR 211.170 has been approved under OMB control number 0910-0139.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Announcement of Solicitation of Written Comments on Proposed Healthy People 2030 Objectives

AGENCY: Department of Health and Human Services, Office of the Secretary, Office of the Assistant Secretary of Health, Office of Disease Prevention and Health Promotion.

ACTION: Notice.

SUMMARY: The U.S. Department of Health and Human Services (HHS) solicits written comments on an additional objective proposed to be added to Healthy People 2030, and written comments from the public proposing additional new core, developmental, or research objectives to be included in Healthy People 2030. Public comment informed the development of Healthy People 2030. HHS will provide opportunities for public input periodically throughout the decade to ensure Healthy People 2030 reflects current public health priorities and public input. The updated set of Healthy People 2030 objectives will be incorporated on <https://health.gov/healthypeople>. This updated set will reflect further review and deliberation by federal Healthy People topic area workgroups, the Federal Interagency Workgroup on Healthy People 2030, and other federal subject matter experts.

DATES: Written comments will be accepted through 11:59 p.m. ET, December 2, 2022.

ADDRESSES: Written comments should be submitted by email to HP2030Comment@hhs.gov.

FOR FURTHER INFORMATION CONTACT: Dana Rosenberg, Office of Disease Prevention and Health Promotion, U.S. Department of Health and Human Services, 1101 Wootton Parkway, Suite 420, Rockville, MD 20852; Email: HP2030@hhs.gov; Phone: 240-453-6092.

SUPPLEMENTARY INFORMATION: Since 1980, Healthy People has provided a comprehensive set of national health promotion and disease prevention objectives with 10-year targets aimed at improving the health of all. Healthy People 2030 objectives present a picture of the nation's health at the beginning of the decade, establish national goals and targets to be achieved by the year 2030, and monitor progress over time. The U.S. Department of Health and Human Services (HHS) is soliciting the submission of written comments regarding one core objective proposed to be added to Healthy People 2030. The
