SUPPLEMENTARY INFORMATION:

Title: Temporary Bridge Funding Opportunity Program.

OMB Number: 0596–0255.

Expiration Date of Approval: 05/31/2023.

Type of Request: Extension with no revision of a currently approved information collection.

Abstract: USDA Forest Service is delivering the Temporary Bridge Funding Opportunity (TBFO) Program as part of the Bipartisan Infrastructure Law. Section 40804(b)5 of the Infrastructure Investment and Jobs Act Public Law 117–58 (11/15/2021) directs the Forest Service to provide funding for States and Indian Tribes to establish rental programs for portable skidder bridges, bridge mats, or other temporary water crossing structures, to minimize stream bed disturbance on non-Federal land and Federal land. The need and process to collect information from State and Indian Tribe applicants is detailed in 2 CFR part 200 and Forest Service Handbook 1509.11, Chapter 20, which prescribes administrative requirements and processes applicable to all Forest Service domestic Federal Financial Assistance awards to States and Indian Tribes. In particular, collection of information is necessary to ascertain the required needs of applicants to initiate a temporary bridge program to protect water resources and reduce water quality degradation during forestry related operations requiring temporary water resource crossings. Information collected will be reviewed by Forest

Service staff to evaluate eligibility and proposed activities of the applicant.

Affected Public: State and Tribal Government.

Estimate of Burden per Response: 6.5 hours.

Estimated Annual Number of Respondents: 50.

Estimated Annual Number of Responses per Respondent: 1

Estimated Total Annual Burden on Respondents: 325 hours.

Comment is Invited:

Comment is invited on: (1) whether this collection of information is necessary for the stated purposes and the proper performance of the functions of the Agency, including whether the information will have practical or scientific utility; (2) the accuracy of the Agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the submission request toward Office of Management and Budget approval.

Jaelith Hall-Rivera,

Deputy Chief, State & Private Forestry.
