''different'' determination.[2] After consulting with Commerce and the appropriate congressional committees, USTR may direct Commerce to implement, in whole or in part, the new determination made under section 129 of the URAA.[3] Pursuant to section 129(c) of the URAA, the new determination shall apply with respect to unliquidated entries of the subject merchandise that are entered or withdrawn from warehouse, for consumption, on or after the date on which USTR directs Commerce to implement the new determination.[4] The new determination is subject to judicial review, separate and apart from judicial review of Commerce's original determination.[5]

Background

On July 11, 2022, Commerce informed interested parties that it was initiating administrative action under section 129 of the URAA to comply with the recommendations and rulings of the WTO Dispute Settlement Body in DS577.[6] On September 23, 2022, Commerce addressed each of the issues and conclusions of the panel in DS577 through a preliminary determination memorandum.[7] We invited interested parties to comment on the Preliminary Determination.[8] After receiving case briefs and rebuttal comments from the interested parties, Commerce issued its final determination for the section 129 determination on December 20, 2022.[9] On January 12, 2023, USTR notified Commerce that, consistent with section 129(b)(3) of the URAA, consultations with Commerce and the appropriate congressional committees with respect to the December 20, 2022 determination have been completed and USTR directed Commerce to implement the determination in accordance with section 129(b)(4) if the URAA.

Final Determination: Analysis of Comments Received

The issues raised in the comments and rebuttal comments submitted by the interested parties to this proceeding are addressed in the Final Determination. The Final Determination is a public document and is on file electronically via Enforcement and Compliance's Antidumping and CVD Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at *https://access.trade.gov.* In addition, a complete version of the Final Determination can be accessed directly at *https://access.trade.gov/public/FRNoticesListLayout.aspx.*

Final Determination: Recalculating Countervailing Duty Rates

The recalculated countervailable subsidy rates, as included in the Final Determination and which remain unchanged from the Preliminary Determination in this section 129 proceeding for each company, are as follows:

Exporter/producer	Investigation subsidy rate (percent *ad valorem*)	Revised subsidy rate (percent *ad valorem*)
Aceitunas Guadalquivir S.L.U.[10]	27.02	11.63
All Others	14.97	11.08

Implementation of the Revised Cash Deposit Requirements

As noted above, on January 12, 2023, in accordance with sections 129(b)(4) and 129(c)(l)(B) of the URAA, USTR directed Commerce to implement this final determination. With respect to the investigation, Commerce will instruct U.S. Customs and Border Protection (CBP) to continue to suspend liquidation of entries of subject merchandise that were entered, or withdrawn from warehouse, for consumption on or after the date of such implementation. In the final section 129 determination, the rates for Agro Sevilla Aceitunas S.Coop And. and Angel Camacho Alimentacion, S.L. remained unchanged from the investigation. However, these companies have a superseding cash deposit rate (*i.e.,* there have been final results published in a subsequent administrative review), and thus, we will not issue revised cash deposit instructions to CBP for these companies. Similarly, while the rate for Aceitunas Guadalquivir S.L.U. changed in the final section 129 determination, because this company has a superseding cash deposit rate, we will not issue revised cash deposit instructions to CBP for this company. For all other producers or exporters that do not have their own rate, we will direct CBP to require a cash deposit equal to the revised all-others rate above. This notice of implementation of this section 129 final determination is published in accordance with section 129(c)(2)(A) of the URAA.

Dated: January 12, 2023.

Assistant Secretary for Enforcement and Compliance.

DEPARTMENT OF COMMERCE

National Institute of Standards and Technology

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; NIST Generic Clearance for Diversity, Equity, Inclusion, and Accessibility (DEIA) Data Collections

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on October 21, 2022, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Institute of Standards and Technology (NIST), Commerce.

Title: NIST Generic Clearance for Diversity, Equity, Inclusion, and Accessibility (DEIA) Data Collections.

OMB Control Number: 0693–XXXX.

Form Number(s): None.

Type of Request: Regular.

Number of Respondents: 30,000.

Average Hours per Response: Varies, dependent upon the data collection method.

Burden Hours: 15,000.

Needs and Uses: Executive Orders 14035 and 13985 have tasked the Federal Government with advancing equity within the Federal Government workforce (E.O. 14035) and advancing racial equity and support for underserved communities through the Federal Government (E.O. 13985). Data collection, monitoring, and feedback are key elements of the Federal Government approach to integrating diversity, equity, inclusion, and accessibility (DEIA) in all ways of working. Executive Order 14035 on ''Diversity, Equity, Inclusion, and Accessibility in the Federal Workforce,'' released on June 25, 2021, calls for a data-driven, whole-of-government approach to cultivating DEIA across the Federal Government, asking agencies to ''identify areas where evidence is lacking and propose opportunities to build evidence to advance diversity, equity, inclusion, and accessibility and address those gaps identified.'' Executive Order 13985 on ''Advancing Racial Equity and Support for Underserved Communities Through the Federal Government,'' released on January 25, 2021, charges agencies with advancing equitable service delivery through increased engagement with underserved communities and improved data collection to ''measure equity and capture the diversity of the American people.'' This generic clearance will provide NIST with the tools necessary to carry out this endeavor.

Affected Public: Federal government; households and individuals; the private sector.

Frequency: Varies, depending on collection.

Respondent's Obligation: Select from the following options: Voluntary.
