

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Meeting of the National Advisory Committee on Rural Health and Human Services

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice.

SUMMARY: In accordance with the Federal Advisory Committee Act, this notice announces that the Secretary's National Advisory Committee on Rural Health and Human Services (NACRHHS) has scheduled a public meeting. Information about NACRHHS and the agenda for this meeting can be found on the NACRHHS website at <https://www.hrsa.gov/advisory-committees/rural-health/index.html>.

DATES:

- Wednesday, April 26, 2023, 9:00 a.m.–4:00 p.m. Pacific Time (PST);
- Thursday, April 27, 2023, 9:00 a.m.–4:45 p.m. PST; and
- Friday, April 28, 2023, 9:00 a.m.–11:30 a.m. PST.

ADDRESSES: This meeting will be held in the Jefferson and Cascade rooms at the Waypoint Hotel, 1415 NE 3rd St., Bend, Oregon 97701. The meeting will also be accessible to the public via Zoom. The meeting details are below.

Please use the following information to join the meeting:

- <https://us02web.zoom.us/j/87269507751?pwd=WHczdFBzL29TL0RZUmw1QVZMS0hLUT09; Webinar ID: 872 6950 7751; Passcode: 256752>.

FOR FURTHER INFORMATION CONTACT:

Sahira Rafiullah, Executive Secretary of NACRHHS, 5600 Fishers Lane, Rockville, Maryland 20857; 240–316–5874; or srafiullah@hrsa.gov.

SUPPLEMENTARY INFORMATION:

NACRHHS provides advice and recommendations to the Secretary of Health and Human Services on policy, program development, and other matters of significance concerning both rural health and rural human services. At this meeting, NACRHHS will discuss the Maternal, Infant, and Early Childhood Home Visiting Program. Members of the public will have the opportunity to provide comments. Public participants wishing to provide oral comments must submit a written version of their statement at least 3 business days in advance of the scheduled meeting. Oral comments will

be honored in the order they are requested and may be limited as time permits. Public participants wishing to offer a written statement should send it to Sahira Rafiullah, using the contact information above, at least 3 business days prior to the meeting. Individuals who plan to attend and need special assistance or another reasonable accommodation should notify Sahira Rafiullah at the address and phone number listed above at least 10 business days prior to the meeting.

Maria G. Button,

Director, Executive Secretariat.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Agency Information Collection

Activities: Proposed Collection: Public Comment Request; Rural Communities Opioid Response Program Performance Measures, OMB No. 0906–0044, Revision

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice.

SUMMARY: In compliance with the requirement for opportunity for public comment on proposed data collection projects of the Paperwork Reduction Act of 1995, HRSA announces plans to submit an Information Collection Request (ICR), described below, to the Office of Management and Budget (OMB). Prior to submitting the ICR to OMB, HRSA seeks comments from the public regarding the burden estimate, below, or any other aspect of the ICR.

DATES: Comments on this ICR should be received no later than June 2, 2023.

ADDRESSES: Submit your comments to paperwork@hrsa.gov or mail the HRSA Information Collection Clearance Officer, Room 14N136B, 5600 Fishers Lane, Rockville, MD 20857.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, email paperwork@hrsa.gov or call Samantha Miller, the acting HRSA Information Collection Clearance Officer, at (301) 594–4394.

SUPPLEMENTARY INFORMATION: When submitting comments or requesting information, please include the

information request collection title for reference.

Information Collection Request Title: Rural Communities Opioid Response Program (RCORP) Performance Measures, OMB No. 0906–0044, Revision

Abstract: HRSA administers RCORP, which is authorized by section 711(b)(5) of the Social Security Act (42 U.S.C. 912(b)(5)) and is a multi-initiative program that aims to: (1) support treatment for and prevention of substance use disorder (SUD), including opioid use disorder (OUD); and (2) reduce morbidity and mortality associated with SUD, to include OUD, by improving access to and delivering prevention, treatment, and recovery support services to high-risk rural communities. To support this purpose, RCORP grant initiatives include:

- RCORP-Implementation grants to fund established networks and consortia to deliver SUD/OUD prevention, treatment, and recovery activities in high-risk rural communities;
- RCORP-Neonatal Abstinence Syndrome grants to reduce the incidence and impact of Neonatal Abstinence Syndrome in rural communities by improving systems of care, family supports, and social determinants of health;
- RCORP-Psychostimulant Support grants to strengthen and expand prevention, treatment, and recovery services for individuals in rural areas who misuse psychostimulants; to enhance their ability to access treatment and move toward recovery;
- RCORP-Medication Assisted Treatment (MAT) Access grants aim to establish new access points in rural facilities where none currently exist; and
- RCORP-Behavioral Health Care support grants aim to expand access to and quality of behavioral health care services at the individual-, provider-, and community-levels.
- Note that additional grant initiatives may be added pending fiscal year 2024 and future fiscal year appropriations.

HRSA currently collects information about RCORP grants using approved performance measures. HRSA developed separate performance measures for RCORP's new MAT Access and Behavioral Health Care Support grants and seeks OMB approval for the new collection.

Need and Proposed Use of the Information: Due to the growth in the number of grant initiatives included within RCORP, as well as emerging SUD and other behavioral health trends in rural communities, HRSA is submitting

a revised ICR that includes measures for RCORP’s new MAT Access and Behavioral Health Care Support grants.

For this program, performance measures were developed to provide data on each RCORP initiative and enable HRSA to provide aggregate program data required by Congress under the Government Performance and Results Act of 1993. These measures cover the principal topic areas of interest to the Federal Office of Rural Health Policy, including: (a) provision of, and referral to, rural behavioral health care services, including SUD prevention, treatment and recovery support services; (b) behavioral health care, including SUD prevention, treatment, and recovery, process and outcomes; (c) education of health care

providers and community members; (d) emerging trends in rural behavioral health care needs and areas of concern; and (e) consortium strength and sustainability. All measures will speak to the Federal Office of Rural Health Policy’s progress toward meeting the goals set.

Likely Respondents: The respondents will be recipients of the RCORP grants.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose, or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and

maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

The only revisions to the approved information collection are the addition of measures for the RCORP-MAT Access and RCORP-Behavioral Health Care Support grants. Since the performance measures for these grants are substantially different than other RCORP grants, HRSA calculated burden hours separately.

TOTAL ESTIMATED ANNUALIZED BURDEN HOURS

Form name	Number of respondents	Number of responses per respondent (annually)	Total responses	Average burden per response (in hours)	Total burden hours
Rural Communities Opioid Response Program—Implementation/Neonatal Abstinence Syndrome	290	2	580	1.24	719.20
Rural Communities Opioid Response Program—Psychostimulant Support	15	1	15	1.30	19.50
Rural Communities Opioid Response Program—MAT Access—***NEW***	11	1	11	1.95	21.45
Rural Communities Opioid Response Program—Behavioral Health Care Support—***NEW***	58	1	58	2.02	117.16
Total	374	664	877.31

HRSA specifically requests comments on: (1) the necessity and utility of the proposed information collection for the proper performance of the agency’s functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Maria G. Button,

Director, Executive Secretariat.
