The most up-to-date changes to the meeting agenda can be found on the website.

SUPPLEMENTARY INFORMATION: This meeting is being held under the provisions of Chapter 10 of title 5, U.S. Code (commonly known as the “Federal Advisory Committee Act (FACA)”), section 552b(c) of title 5, U.S. Code (commonly known as the “Government in the Sunshine Act”), and sections 102–3.140 and 102–3.150 of title 41, Code of Federal Regulations (CFR).

Due to circumstances beyond the control of the Designated Federal Officer, the Defense Science Board was unable to provide public notification required by 41 CFR 102–3.150(a) concerning its April 11–12, 2023 meeting. Accordingly, the Advisory Committee Management Officer for the Department of Defense, pursuant to 41 CFR 102–3.150(b), waives the 15-calendar day notification requirement.

Purpose of the Meeting: The mission of the DSB is to provide independent advice and recommendations on matters relating to the DoD’s scientific and technical enterprise. The objective of the meeting is to obtain, review, and evaluate classified information related to the DSB’s mission. DSB membership will meet to discuss the 2023 DSB Summer Study on Climate Change and Global Security (“the DSB Summer Study”).

Agenda: The meeting will begin on Tuesday, April 11, 2023 at 8:15 a.m. with administrative opening remarks from Mr. Kevin Doxey, DFO and Executive Director, and a classified overview of the objectives of the Summer Study from Dr. Eric Evans, the DSB Chair. Following break, the DSB members will meet in a plenary session to discuss classified strategies for anticipating the global stresses and possible conflict due to climate change. Next, members will meet in a breakout session to discuss classified strategies for anticipating the global stresses and possible conflict due to climate change. The meeting will adjourn at 5:00 p.m. On Wednesday, April 12, 2023, the DSB members will meet in a breakout session to discuss classified strategies for anticipating the global stresses and possible conflict due to climate change. Next, the DSB members will meet in a plenary session to discuss classified strategies for anticipating the global stresses and possible conflict due to climate change. Following break, the DSB members will meet in a plenary session to discuss classified strategies for anticipating the global stresses and possible conflict due to climate change. The meeting will adjourn at 4:00 p.m.

Meeting Accessibility: In accordance with 5 U.S.C. 1009(d) and 41 CFR 102–3.155, the DoD has determined that the DSB meeting will be closed to the public. Specifically, the Under Secretary of Defense for Research and Engineering, in consultation with the DoD Office of the General Counsel, has determined in writing that the meeting will be closed to the public because it will consider matters covered by 5 U.S.C. 552b(c)(1). The determination is based on the consideration that it is expected that discussions throughout will involve classified matters of national security concern. Such classified material is so intertwined with the unclassified material that it cannot reasonably be segregated into separate discussions without defeating the effectiveness and meaning of the overall meetings. To permit the meeting to be open to the public would preclude discussion of such matters and would greatly diminish the ultimate utility of the DSB’s findings and recommendations to the Secretary of Defense and to the Under Secretary of Defense for Research and Engineering.

Written Statements: In accordance with 5 U.S.C. 1009(a)(3) and 41 CFR 102–3.105(j) and 102–3.140, interested persons may submit a written statement for consideration by the DSB at any time regarding its mission or in response to the stated agenda of a planned meeting. Individuals submitting a written statement must submit their statement to the DSB DFO at the email address provided in the **FOR FURTHER INFORMATION CONTACT** section at any point; however, if a written statement is not received at least three calendar days prior to the meeting, which is the subject of this notice, then it may not be provided to or considered by the DSB until a later date.

Dated: March 29, 2023.

Alternate OSD Federal Register Liaison Officer, Department of Defense.

AGENCY: Federal Student Aid, Department of Education.

ACTION: Notice of a New Matching Program.

SUMMARY: This provides notice of the establishment of the matching program between the U.S. Department of

Education (Department) and the Department of Defense (DoD), which sets forth the terms, safeguards, and procedures under which the DoD will disclose data to the Department on service members deployed to areas that qualify for imminent danger pay (IDP) or hostile fire pay (HFP) as described in Defense Manpower Data Center Base (DMDC 01) System of Records Notice, routine use 15.b. This matching program will enable the Department to provide no-interest accrual benefits on qualifying loans made under title IV of the Higher Education Act of 1965, as amended (HEA) during the time those service members were deployed to qualifying locations.

DATES: Submit your comments on the proposed matching program on or before May 4, 2023.

The matching program will go into effect 30 days after the publication of this notice, on April 4, 2023, unless comments have been received from interested members of the public requiring modification and republication of the notice. The matching program will continue for 18 months after the effective date and may be renewed for an additional 12 months if, within 3 months prior to the expiration of the 18 months, the respective Data Integrity Boards of the Department and DoD determine that the conditions specified in 5 U.S.C. 552a(o)(2)(D) have been met.

ADDRESSES: Comments must be submitted via the Federal eRulemaking Portal at [regulations.gov](https://www.regulations.gov). Information on using [Regulations.gov](https://www.regulations.gov), including instructions for finding a rule on the site and submitting comments, is available on the site under “FAQ.” If you require an accommodation or cannot otherwise submit your comments via [regulations.gov](https://www.regulations.gov), please contact one of the program contact persons listed under **FOR FURTHER INFORMATION CONTACT**. Privacy Note: The Department’s policy is to generally make all comments received from members of the public available for public viewing in their entirety on the Federal eRulemaking Portal at www.regulations.gov. Therefore, commenters should be careful to include in their comments only

information that they wish to make publicly available.

SUPPLEMENTARY INFORMATION: We provide this notice in accordance with Privacy Act of 1974, as amended (Privacy Act) (5 U.S.C. 552a); Office of Management and Budget (OMB) Final Guidance Interpreting the Provisions of Public Law 100–503, the Computer Matching and Privacy Protection Act of 1988, 54 FR 25818 (June 19, 1989); and OMB Circular No. A–108.

Participating Agencies: The U.S. Department of Education and the U.S. Department of Defense.

Authority for Conducting the Matching Program: The Department’s legal authority to enter into this matching program is section 455(o) of the HEA (20 U.S.C. 1087e(o)), and the Department is authorized to disclose records to DoD by subsection (b)(3) of the Privacy Act (5 U.S.C. 552a(b)(3)).

DoD’s legal authority for this matching program is provided by section 455(o) of the HEA (20 U.S.C. 1087e(o)), and DoD is authorized to disclose records to the Department by subsection (b)(3) of the Privacy Act (5 U.S.C. 552a(b)(3)).

Purpose(s): The matching program will assist the Department in its obligation to ensure that borrowers who have loans first disbursed on or after October 1, 2008, made under the William D. Ford Federal Direct Loan Program (20 U.S.C. 1087a *et seq.*) or a TEACH grant first disbursed on or after October 1, 2008, under the TEACH Grant Program (20 U.S.C. 1070g *et seq.*), which are collectively referred to herein as “title IV loans”, with outstanding balances receive the no-interest accrual benefit on their eligible title IV loans during the period of time they received IDP or HFP pay. The Department will proactively apply the no-interest accrual benefit to the borrower’s eligible title IV loans and notify the borrower that, as a result of the matching program, the borrower does not need to submit further documentation of the borrower’s eligibility for the benefit. The Department’s notice also will inform the borrower that the Department will accept DoD matched information in lieu of the borrower’s submission of DoD

payroll documentation, thereby making it easier for the borrower to receive the no-interest accrual benefit.

Categories of Individuals: The matching program involves borrowers who have title IV loans with outstanding balances who are listed on the Servicemembers Civil Relief Act (SCRA) website at <https://scra.dmdc.osd.mil/scra/#/home> as military servicemembers and who are identified by DoD as being deployed to areas that qualify for IDP or HFP.

Categories of Records: The records to be used in the matching program are described as follows: The Department will disclose to DoD the name (first, middle and last), and Social Security Number (SSN) of borrowers from the National Student Loan Data System (NSLDS) (18–11–06) who the Department identifies as being military servicemembers via the SCRA website. DoD will then disclose to the Department the name (first middle and last), DOB, and SSN of all service members who served in a qualifying IDP or HFP deployment along with their beginning and ending deployment dates and the total number of days deployed for each qualified deployment.

The Department will match the data elements of name, DOB, and SSN received from DoD with the Department’s records on borrowers of title IV loans with balances on such loans.

System(s) of Records: The Department will disclose records to DoD from its system of records identified as “National Student Loan Data System (NSLDS)” (18–11–06), which was last published in full in the **Federal Register** on September 22, 2022 (87 FR 57873) pursuant to routine use (1)(a) and will pass the relevant matched borrower data to the identified loan servicer to apply the no-interest benefit covered by the “Common Services for Borrowers” (CSB) (18–11–16) system, as last published in the **Federal Register** in full on September 13, 2022 (87 FR 56003). The Department has determined that the NSLDS system and CSB system of records notice contains appropriate routine use disclosure authority and that the use is compatible with the purpose for which the information is collected.

DoD will disclose records back to the Department from its system of records identified as “Defense Manpower Data Center Data Base (DMDC 01), which was last published in full in the **Federal Register** on February 27, 2019 (84 FR 6383) and subsequently modified on April 16, 2019 (84 FR 15605), pursuant to routine use 15.b. DoD has determined that the DMDC 01 system of records

notice contains appropriate routine use disclosure authority and that the use is compatible with the purpose for which the information is collected.

The Department will then match the information provided by DoD with records in the Department's NSLDS system of records.
