Abstract: The purpose of this collection is to gather information necessary to enable the Office of the Pardon Attorney, U.S. Department of Justice to expeditiously administer the provisions of the Executive Order 10467, a proclamation granting pardons to individuals charged or convicted of simple possession of marijuana. The collection will enable individuals to apply for certificates of pardon, restoring political, civil, and other rights by implementing a process to provide certificates of pardon as provided by the order.

Overview of This Information Collection

1. *Type of Information Collection:* Extension of a currently approved collection.

2. *The Title of the Form/Collection:* Application for Certificates of Pardon

for the Offense of Simple Possession of Marijuana.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* There is no agency form number for this collection. The applicable component within the Department of Justice is the Office of the Pardon Attorney.

4. *Affected public who will be asked or required to respond, as well as the obligation to respond:*

Affected Public: Individuals or households will be asked to respond to this request. The President issued a proclamation on October 6, 2022, pardoning many persons who had been convicted federally of a simple possession of marijuana offense. If a person wants proof of their pardon, they can submit the Application to verify their eligibility under the proclamation. The obligation to respond is voluntary, and a person who qualified under the proclamation is pardoned regardless if they submit an Application.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* the Office of the Pardon Attorney estimate that a potential pool of at least 20,000 applicants may apply. The application for the certificate is simple, and will not take long to complete, between 10 and 30 minutes. The applicants must also provide proof of their prior convictions or charges, which we estimate would take anywhere between 10 minutes to two hours of effort, including research, phone calls, and conversations with necessary personnel to attain the appropriate documentation.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 40,000 hours. It is estimated that respondents will take two hours to complete the certificate.

TOTAL BURDEN HOURS
