Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where it concludes that there were no reviewable entries of subject merchandise during the POR.⁸ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate for the review period.⁹ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated CVD assessment rate for the review period.¹⁰ As noted above, Nanjing Ironstone, Dongsheng, and Xinguang Rack timely withdrew their

requests for administrative review and CBP confirmed that there were no entries of subject merchandise during the POR with respect to Xiamen Luckyroc, the only remaining company subject to this review. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

Cash Deposit Requirements

As Commerce has proceeded to a final rescission of this administrative review, no cash deposit rates will change. Accordingly, the current cash deposit requirements shall remain in effect until further notice.

Assessment Rates

Commerce will instruct CBP to assess CVDs on all appropriate entries. Because Commerce is rescinding this review in its entirety, the entries to which this administrative review pertained shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 35 days after the publication of this notice in the **Federal Register**.

SUPPLEMENTARY INFORMATION:

I. Abstract

The USPTO administers the Trademark Act of 1946, 15 U.S.C. 1051 *et seq.*, as amended, which provides for the Federal registration of trademarks, service marks, collective marks and certification marks. Individuals and businesses that use or intend to use such marks in commerce may file an application to register their marks with the USPTO.

Section 13 of the Trademark Act, 15 U.S.C. 1063, allows individuals and entities who believe that they would be damaged by the registration of a mark to file an opposition, or an extension of time to file an opposition, to the registration of the mark. Section 14 of the Trademark Act, 15 U.S.C. 1064, allows individuals and entities to file a petition to cancel a registration of a mark. Section 20 of the Trademark Act, 15 U.S.C. 1070, allows individuals and entities to appeal any final decision of the examiner in charge of the registration of marks or a final decision by an examiner in an ex parte expungement proceeding or ex parte reexamination proceeding.

The USPTO administers certain provisions of the Trademark Act of 1946 through the regulations at 37 CFR part 2, which contains the various rules that govern the filings identified above and other submissions filed in connection with inter partes and ex parte

proceedings. These petitions, notices, extensions, and additional papers are filed with the Trademark Trial and Appeal Board (TTAB), an administrative tribunal empowered to determine the right to register and subsequently determine the validity of a trademark. The information in this collection must be submitted electronically through the TTAB’s electronic filing system. If applicants or entities wish to submit the petitions, notices, extensions, and additional papers in inter partes and ex parte cases, they may use the forms provided through the TTAB’s electronic filing system.

This information collection includes the items needed for individuals or entities to file inter partes and ex parte proceedings regarding federal registration of their trademarks or service marks. Information is collected in view of the provisions of the Trademark Act of 1946. The responses in this information collection are a matter of public record, and are used by the public for a variety of private business purposes related to establishing and enforcing trademark rights. This information is important to the public, as both common law trademark owners and federal trademark registrants must actively protect their own rights.

II. Method of Collection

Items in this information collection must be submitted through the TTAB’s electronic filing system. However, in certain circumstances, information may be submitted in paper form by mail or hand delivery.
