Agency Information Collection Activities: Submission for OMB Review, Comment Request; Generic Clearance for Notice of Loss and Proof of Loss

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 30-Day notice of new collection and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. The submission seeks comments concerning the Generic Clearance for the Collection of the Notice of Loss and Proof of Loss for claimants who file a claim with the Agency seeking compensation for injury or loss of property resulting from fires.

DATES: Comments must be submitted on or before September 11, 2023.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to *www.reginfo.gov/public/do/PRAMain.* Find this particular information collection by selecting ''Currently under 30-day Review—Open for Public Comments'' or by using the search function.

SUPPLEMENTARY INFORMATION: FEMA proposes to collect information from parties who apply for compensation under FEMA-established fire claims programs stemming from its role providing financial assistance and direct services to individuals applying for disaster assistance benefits in the event of a federally declared disaster as specified by the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), Public Law 93–288, as amended (42 U.S.C. 5121–5207). On September 30, 2022, President Biden signed into law the Hermit's Peak/Calf Canyon Fire Assistance Act (''Act'') Public Law 117–180, Division G—Hermit's Peak/Calf Canyon Fire Assistance Act. Congress passed the Act to compensate those claimants who suffered injury and loss of property from the Hermit's Peak/Calf Canyon Fire. A generic clearance will help minimize delays in FEMA's ability to respond to future fire incidents resulting in the establishment of claims offices.

This proposed information collection previously published in the **Federal Register** on May 5, 2023, at 88 FR 29144 with a 60-day public comment period. No comments were received. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.
