It is important that the fee arrives at the bank at least a day or two before the abbreviated application arrives at FDA's CVM. FDA records the official abbreviated application receipt date as the later of the following: the date the application was received by CVM, or the date U.S. Bank notifies FDA that your payment in the full amount has been received, or when the U.S. Department of the Treasury notifies FDA of payment. U.S. Bank and the U.S. Department of the Treasury are required to notify FDA within 1 working day, using the PIN described previously.

The tax identification number of FDA is 53-0196965.

B. Application and JINAD File Submission Cover Sheet Procedures

Step One: Create a user account and password. Log onto the AGDUFA website at <https://www.fda.gov/ForIndustry/UserFees/AnimalGenericDrugUserFeeActAGDUFA/ucm137049.htm> and, under Application Submission Information, click on "Create AGDUFA User Fee Cover Sheet" and follow the directions. For security reasons, each firm submitting an application and/or a JINAD file submission will be assigned an organization identification number, and each user will also be required to set up a user account and password the first time you use this site. Online instructions will walk you through this process.

Step Two: Create an Animal Generic Drug User Fee Cover Sheet, transmit it to FDA, and print a copy. After logging into your account with your username and password, complete the steps required to create an Animal Generic Drug User Fee Cover Sheet. One cover sheet is needed for each abbreviated application for a generic new animal drug or JINAD file submission. Once you are satisfied that the data on the cover sheet is accurate and you have finalized the cover sheet, you will be able to transmit it electronically to FDA and you will be able to print a copy of your cover sheet showing your unique PIN.

Step Three: Send the payment for your application or JINAD file submission as described in section VIII.A.

Step Four: Submit your application or JINAD file submission.

C. Product and Sponsor Fees

By December 31, 2023, FDA will issue invoices and payment instructions for product and sponsor fees for FY 2024 using this fee schedule. Payment will be due by January 31, 2024. FDA will issue invoices in November 2024 for any products and sponsors subject to fees for FY 2024 that qualify for fees after the December 2023 billing.

Dated: October 18, 2023.

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA

Reports Clearance Officer on (240) 276–0361.

Comments are invited on: (a) whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: Survey of Current and Alumni SAMHSA Fellows of the Minority Fellowship Program (MFP) (OMB No. 0930–0304)—Revision

In 1973, in response to a substantial lack of ethnic and racial minorities in the mental health professions, the Center for Minority Health at the National Institute of Mental Health established the MFP. Since the MFP's transition to SAMHSA in 1992, the program has continued to facilitate the entry of graduate students and psychiatric residents into mental health careers and has increased the number of psychology, psychiatry, nursing, and social work professionals trained to provide mental health and substance abuse services to minority groups. The traditional MFP offers sustained grants to six national behavioral health professional associations: the American Association of Marriage and Family Therapy (AAMFT), American Nurses Association (ANA), American Psychiatric Association (APsychA), American Psychological Association (APA), Council on Social Work Education (CSWE), and National Board for Certified Counselors (NBCC) which administers the program for the NBCC and the Association for Addiction Professionals (NAADAC). A seventh program, offered after the previously approved surveys, is referred to as The Interdisciplinary Minority Fellowship Program and is administered by the American Psychological Association.

This data collection includes two survey instruments, the Survey of Current SAMHSA MFP Fellows and the Survey of Alumni SAMHSA MFP Fellows. The two online surveys (with the option for a hard copy mailed through the U.S. Postal Service) will be used with the following stakeholders in the MFP grant programs:

1. Current SAMHSA MFP Fellows (n=411)

a. *Current MFP fellows* (doctoral-level fellows) and *master's-level fellows* currently receiving support during their doctoral-level, master's-level, psychiatric residency, or certificate training programs will be asked about their experiences in the MFP (learning opportunities and mentoring experiences in the program through their participation in professional development and other various activities provided by the grantees), plans for their career beyond the MFP, and suggestions for improvement of their MFP experience.

2. MFP Alumni (n=1,280)

a. *MFP Alumni* who participated in the MFP during the time the program was administered by SAMHSA will be asked about their previous experiences as fellows in the MFP, their subsequent involvement and leadership in their professions, and ways in which the MFP prepared them for their current positions.

The information gathered by these two surveys will be used to document contributions and impacts of current and former MFP fellows. The current fellows survey includes questions to assess the following measures: background items on training specialty and demographics, practicum and internship experiences, professional development activities (e.g., number of certifications obtained, types of professional development/contributions to the field such as number of presentations or publications), and learning opportunities related to MFP fellows' preparation to provide culturally competent mental and substance use disorder services to underserved populations. The alumni fellows survey includes questions to measure: background items on specialization and demographics, status of degree completion, employment experiences and settings where providing culturally competent mental and substance use disorder services to underserved populations, contributions to the field, application of MFP learning opportunities in current employment experiences, mentoring and other support received during the MFP, satisfaction with their preparation during MFP for their current employment or educational placement, intentions to stay in or leave the behavioral health field, and suggestions for improving the MFP.

This request amends the OMB approval that expired August 31, 2019, by omitting questions that gathered information on number of mentors and total mentored hours; as well as self-reported impacts on current and alumni fellows such as increased knowledge,

skills, and aptitude. Both the current and alumni fellows' surveys are revised accordingly. For the alumni survey, the respondent pool has been limited only to those who have completed the MFP within the past five years. Additionally, to further streamline this data collection SAMHSA has also deleted eleven other questions that are not critical to assessing the program's progress. In turn, the following questions have been added to the survey instruments to help better assess the program's progress with meeting stated goals and plan for future cohorts of fellows:

(1) Specialization

Response choices were modified and added to align with position titles in HRSA's annual behavioral workforce survey.

My specialization would best prepare me/prepared me for positions such as those held by (check more than one if applicable):

- Adult psychiatrists
- Child and adolescent psychiatrists
- Psychiatric nurse practitioners
- Physician assistants
- Psychologists
- Social workers
- Marriage and family therapists
- Addictions counselors
- Mental health counselors
- School counselors
- Other: *Please specify* [text box]

(2) Personal Background

Items and response choices were added or revised to align with how these are asked in federal national data collections (e.g., American Community Survey or NIH's PhenX Toolkit).

The next set of questions will help SAMHSA understand the variation in responses based on characteristics of MFP fellows.

(5) What is your gender?

- Male
- Female
- Non-binary,
- Two-Spirit
- TF (Transgender Female)
- TM (Transgender Male)/
- Other (*please specify*): [text box] *
- Prefer not to answer

(6) Are you of Hispanic, Latina/Latino, or Spanish origin? *

- No, not of Hispanic, Latino, or Spanish origin
- Yes
 - Mexican, Mexican Am., Chicano
 - Puerto Rican
 - Cuban
 - Another Hispanic, Latino, or Spanish origin—for example, Salvadoran, Dominican, Colombian, Guatemalan, Spaniard, Ecuadorian,

32. Intentions—2	1—Extremely unlikely	2—Very unlikely	3—Somewhat unlikely	4—Neutral/ Unsure	5—Somewhat likely	6—Very likely	7—Extremely likely
a. How likely is it that you will search for a job in the same primary role—e.g., clinical care, practice, teaching, research, prevention, administration/policy development?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
b. How likely is it that you will actually leave the mental and behavioral health field next year?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

(33) If you are considering leaving the mental and behavioral health field, what is/are the primary driver(s)?

(34) What changes are needed that would convince you to stay? [Limit characters to 450]

Burden Estimate

The total annual burden estimate for conducting the surveys is shown below:

Survey name	Number of respondents	Responses per respondent	Total number of responses	Hours per response	Total burden hours
SAMHSA MFP Current Fellows Survey	411	1	411	0.42	173
SAMHSA MFP Alumni Survey	1,280	1	1,280	0.42	538
Totals	^a 1,691	1,691	711

^aThis is an unduplicated count of total respondents.

Fish and Wildlife Service

[Docket No. FWS–R4–ES–2023–0198; FXES1114040000–234–FF04EF4000]

Receipt of Incidental Take Permit Application and Proposed Habitat Conservation Plan for the Florida Scrub-Jay and Sand Skink; Lake County, FL; Categorical Exclusion

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability; request for comments.

SUMMARY: We, the Fish and Wildlife Service (Service), announce receipt of an application from Founders Ridge Development, LLC and Founders Ridge Development II, LLC (Minneola Town Center) (applicants) for an incidental take permit (ITP) under the Endangered Species Act. The applicants request the

ITP to take federally listed Florida scrub-jays (*Aphelocoma coerulescens*) and sand skinks (*Neoseps reynoldsi*) incidental to the construction of a mixed-use development in Lake County, Florida. We request public comment on the application, which includes the applicant’s proposed habitat conservation plan (HCP), and on the Service’s preliminary determination that the proposed permitting action may be eligible for a categorical exclusion pursuant to the Council on Environmental Quality’s National Environmental Policy Act (NEPA) regulations, the Department of the Interior’s (DOI) NEPA regulations, and the DOI Departmental Manual. To make this preliminary determination, we prepared a draft environmental action statement and low-effect screening form, both of which are also available for public review. We invite comment from the public and local, State, Tribal, and Federal agencies.

DATES: We must receive your written comments on or before November 22, 2023.

ADDRESSES:

Obtaining Documents: You may obtain copies of the documents online in Docket No. FWS–R4–ES–2023–0198; at <https://www.regulations.gov>.

Submitting Comments: If you wish to submit comments on any of the documents, you may do so in writing by one of the following methods:

- *Online:* <https://www.regulations.gov>. Follow the instructions for submitting comments on Docket No. FWS–R4–ES–2023–0198.
