SUPPLEMENTARY INFORMATION:

Background

Since 1997, U.S. immigration law has required certain intending immigrants to submit an Affidavit of Support Under Section 213A of the INA (Form I–864 or Form I–864EZ) executed by a sponsor pledging financial support for the intending immigrant to show that they have adequate means of financial support and are not likely to become a public charge. See INA sections 212(a)(4)(C) and (D). The Affidavit of Support Under Section 213A of the INA is a contract between a sponsor and the U.S. government that imposes a legally enforceable obligation on the sponsor to support the sponsored immigrant until the obligation period ends.

Certain noncitizens are required by regulation to affirmatively request an exemption from filing an Affidavit of Support Under Section 213A of the INA. See 8 CFR 213a.2(a)(1)(i)(B). The Request for Exemption for Intending Immigrant's Affidavit of Support (Form I–864W) is the current mechanism used to affirmatively request the exemption.

However, USCIS is discontinuing the use of the Request for Exemption for Intending Immigrant's Affidavit of Support in its adjudications. Instead, a noncitizen who needs to affirmatively request the exemption from USCIS can request it on the form for their immigration benefit request by checking the appropriate box. For example, an adjustment of status applicant who needs to affirmatively request the exemption will do so on their Application to Register Permanent Residence or Adjust Status (Form I–485) and would not need to complete and submit a Request for Exemption for Intending Immigrant's Affidavit of Support.
