DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Medicare & Medicaid Services

[Document Identifier: CMS-10434 #77]

Medicaid and Children's Health Insurance Program (CHIP) Generic Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare &
Medicaid Services, Health and Human
Services (HHS).

ACTION: Notice.

SUMMARY: On May 28, 2010, the Office of Management and Budget (OMB) issued Paperwork Reduction Act (PRA) guidance related to the "generic" clearance process. Generally, this is an expedited process by which agencies may obtain OMB's approval of collection of information requests that are "usually voluntary, low-burden, and uncontroversial collections," do not raise any substantive or policy issues, and do not require policy or methodological review. The process requires the submission of an overarching plan that defines the scope of the individual collections that would fall under its umbrella. On October 23, 2011, OMB approved our initial request to use the generic clearance process under control number 0938-1148 (CMS-10398). It was last approved on April 26, 2021, via the standard PRA process which included the publication of 60- and 30-day **Federal Register** notices. The scope of the April 2021 umbrella accounts for Medicaid and CHIP State plan amendments, waivers, demonstrations, and reporting. This **Federal Register** notice seeks public comment on one or more of our collection of information requests that we believe are generic and fall within the scope of the umbrella. Interested persons are invited to submit comments regarding our burden estimates or any other aspect of this collection of information, including: the necessity and utility of the proposed information collection for the proper performance of the agency's functions, the accuracy of the estimated burden, ways to enhance the quality, utility and clarity of the

information to be collected, and the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

DATES: Comments must be received by November 13, 2023.

ADDRESSES: When commenting, please reference the applicable form number (see below) and the OMB control number (0938-1148). To be assured consideration, comments and recommendations must be submitted in any one of the following ways:

1. *Electronically.* You may send your comments electronically to <http://www.regulations.gov>. Follow the instructions for "Comment or Submission" or "More Search Options" to find the information collection document(s) that are accepting comments.

2. *By regular mail.* You may mail written comments to the following address: CMS, Office of Strategic Operations and Regulatory Affairs, Division of Regulations Development, Attention: CMS-10398 (#64)/OMB control number: 0938-1148, Room C4-26-05, 7500 Security Boulevard, Baltimore, Maryland 21244-1850.

To obtain copies of a supporting statement and any related forms for the proposed collection(s) summarized in this notice, please access the CMS PRA website by copying and pasting the following web address into your web browser: <https://www.cms.gov/Regulations-and-Guidance/Legislation/PaperworkReductionActof1995/PRA-Listing>.

FOR FURTHER INFORMATION CONTACT: William N. Parham at (410) 786-4669.

SUPPLEMENTARY INFORMATION: Following is a summary of the use and burden associated with the subject information collection(s). More detailed information can be found in the collection's supporting statement and associated materials (see **ADDRESSES**).

Generic Information Collection

1. *Title of Information Collection:* Medicaid and Continuous Eligibility for Children; *Type of Information Collection Request:* Revision of a currently approved collection; *Use:* Section 5112 of the Consolidated Appropriations Act, 2023 (CAA) made it mandatory for states to provide 12 months of continuous eligibility for children under age 19, whereas previously it was an option states could elect to provide and there were flexibilities it how states could design continuous eligibility for children. States must indicate in the state plan their compliance with the requirement to

provide continued coverage for hospitalized children and in order to comply with section 5112 of the CAA must submit a SPA to provide continuous eligibility for children if they do not already do so in their Medicaid state plan, or if their current continuous eligibility does not comply with the CAA requirements. *Form Number:* CMS-10434 (#77) (OMB control number: 0938-1188); *Frequency:* Once and on occasion; *Affected Public:* State, Local, or Tribal Governments; *Number of Respondents:* 19; *Total Annual Responses:* 19; *Total Annual Hours:* 485. For policy questions regarding this collection contact: Caroline Haarmann at (667) 230-1850.

Dated: October 25, 2023.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Survey on Where Parents Look for and Find Information and How They Use Information When Selecting Child Care (New Collection)

AGENCY: Office of Planning, Research, and Evaluation, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Administration for Children and Families (ACF) within the U.S. Department of Health and Human Services (HHS) is proposing to collect nationally representative survey data to learn more about where parents look for and find information about Child Care and Early Education (CCEE); how parents assess the people, places, or things that may offer CCEE information; what types of CCEE information parents look for; and how parents use information to select CCEE. The study aims to gather information that may be used by Child Care Lead Agencies to inform their consumer education efforts.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing OPREinfocollection@acf.hhs.gov. Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: ACF has contracted with NORC to implement this study, which is part of the Consumer Education and Parental Choice in Early Care and Education (CEPC) project. The study will select a nationally representative sample from NORC’s probability-based AmeriSpeak panel. The AmeriSpeak panel provides sample coverage of approximately 97 percent of the U.S. population. It currently contains 48,900 panel members age 13 and over residing in over 40,000 households. U.S. households are randomly selected with a known, non-zero probability from the

NORC National Frame, and then recruited by mail, telephone, and by field interviewers face-to-face. NORC’s in-person recruitment enhances representativeness for young adults, lower socio-economic households, non-internet households, and other households that are typically hard to reach for statistical surveys of the population.

We will collect information about (a) where parents look for and find information about CCEE; (b) how parents assess the people, places, or things that may offer CCEE information; (c) how easy or hard it is for parents to find CCEE information; (d) the types of CCEE information that parents look for and say are helpful in choosing CCEE; (e) information about the last time parents made a decision about CCEE and what information they tried to learn

about at that time; (f) parent’s assessments of the CCEE options at the time they made their last CCEE decision; (g) how well parents’ CCEE decision met their family’s needs; and (h) demographic information about families.

Respondents: AmeriSpeak panelists who indicated that they have a young child in the household will be invited to complete the survey if they are at least 18 years of age. If a household has two or more panel members who reside in a household with a young child, one will be selected at random to complete the survey, with preference given to parents/legal guardians. Selected panelists will be asked questions to confirm eligibility for the survey, including that the household has at least one child under the age of 6 but not in kindergarten.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents (total over request period)	Number of responses per respondent (total over request period)	Avg. burden per response (in hours)	Total/annual burden (in hours)
Parent Survey Questionnaire (Section AE Only)	600	1	.08	48
Parent Survey Questionnaire (Section A—DA)	1,500	1	.33	495

Estimated Total Annual Burden Hours: 543.

Comments: The Department specifically requests comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Authority: Child Care and Development Block Grant (CCDBG) Act of 1990, as amended (42 U.S.C. 9857 *et seq.*).

Health Resources and Services Administration

Charter Renewal for the National Advisory Committee on Rural Health and Human Services

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: In accordance with the Federal Advisory Committee Act, HHS is hereby giving notice that the National Advisory Committee on Rural Health and Human Services (NACRHHS or Committee) has been renewed. The effective date of the renewed charter is October 29, 2023.

FOR FURTHER INFORMATION CONTACT: Sahira Rafiullah, Federal Office of Rural Health Policy, HRSA, 5600 Fishers Lane, 17W36, Rockville, Maryland 20857; 240–316–5874 or srafiullah@hrsa.gov.

SUPPLEMENTARY INFORMATION:

NACRHHS is authorized by Section 222 of the Public Health Service Act (42 U.S.C. 217a). The Committee is governed by provisions of the Federal Advisory Committee Act (FACA) (5

U.S.C. chapter 10), which sets forth standards for the formation and use of advisory committees.

NACRHHS provides advice and recommendations to the Secretary of HHS on issues related to how HHS and its programs serve rural communities. The Committee will focus attention on rural health and human service problems, such as the provision and financing of health care and human services in rural areas.

The charter renewal for the NACRHHS was approved on October 20, 2023. Renewal of the NACRHHS charter gives authorization for the committee to operate until October 29, 2025. A copy of the NACRHHS charter is available on the NACRHHS website at <https://www.hrsa.gov/advisory-committees/rural-health>. A copy of the charter also can be obtained by accessing the FACA database that is maintained by the Committee Management Secretariat under the General Services Administration. The website address for the FACA database is <http://www.facadatabase.gov/>.

Maria G. Button,

Director, Executive Secretariat.
