SUPPLEMENTARY INFORMATION:**The Petitions**

On October 25, 2023, the U.S. Department of Commerce (Commerce) received antidumping duty (AD)

petitions concerning imports of frozen warmwater shrimp (shrimp) filed in proper form on behalf of the American Shrimp Processors Association (ASPA or the petitioner).¹ These AD petitions were accompanied by countervailing duty (CVD) petitions concerning imports of shrimp from Ecuador, India, Indonesia, and the Socialist Republic of Vietnam.²

On October 27 and 30, 2023, and November 6 and 9, 2023, Commerce requested supplemental information pertaining to certain aspects of the Petitions in separate supplemental questionnaires.³ The petitioner filed an amendment to the proposed scope on October 26, 2023, and responses to the supplemental questionnaires on October 31, 2023, and November 1, 8, and 13, 2023.⁴

In accordance with section 732(b) of the Tariff Act of 1930, as amended (the Act), the petitioner alleges that imports of shrimp from Ecuador and Indonesia are being, or are likely to be, sold in the United States at less than fair value (LTFV) within the meaning of section 731 of the Act, and that imports of such products are materially injuring, or threatening material injury to, the shrimp industry in the United States. Consistent with section 732(b)(1) of the Act, the Petitions are accompanied by information reasonably available to the petitioner supporting its allegations.

Commerce finds that the petitioner filed the Petitions on behalf of the domestic industry, because the

petitioner is an interested party, as defined in section 771(9)(E) of the Act.⁵ Commerce also finds that the petitioner demonstrated sufficient industry support for the initiation of the requested LTFV investigations.⁶

Periods of Investigation

Because the Petitions were filed on October 25, 2023, pursuant to 19 CFR 351.204(b)(1), the period of investigation (POI) for the Ecuador and Indonesia LTFV investigations is October 1, 2022, through September 30, 2023.

Scope of the Investigations

The product covered by these investigations is shrimp from Ecuador and Indonesia. For a full description of the scope of these investigations, see the appendix to this notice.

Comments on the Scope of the Investigations

On October 30, 2023, Commerce requested information and clarification from the petitioner regarding the proposed scope to ensure that the scope language in the Petitions is an accurate reflection of the products for which the domestic industry is seeking relief.⁷ On October 26 and November 1, 2023, the petitioner provided clarifications and revised the scope.⁸ The description of merchandise covered by these investigations, as described in the appendix to this notice, reflects these clarifications.

As discussed in the *Preamble* to Commerce's regulations, we are setting aside a period for parties to raise issues regarding product coverage (*i.e.*, scope).⁹ Commerce will consider all scope comments received and, if necessary, will consult with interested parties prior to the issuance of the preliminary determinations. If scope comments include factual information,¹⁰ all such factual information should be limited to public information. To facilitate preparation of its questionnaires, Commerce requests that scope comments be submitted by 5:00 p.m. Eastern Time (ET) on December 4, 2023, which is 20 calendar days from the signature date of this notice.
