Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Survey of Consumer Finances.

Collection identifier: FR 3059.

OMB control number: 7100-0287.

General description of collection: This triennial survey is the only source of representative information on the structure of U.S. families' finances. The survey collects data on the assets, debts, income, work history, pension rights, use of financial services, and attitudes of a sample of U.S. families. Because the ownership of some assets is relatively concentrated in a small number of families, the survey makes a special effort to ensure proper representation of such assets by systematically oversampling wealthier families. For the 2025 survey, the Board will conduct: (1) up to 150 interviews averaging about 110 minutes (pretest) to be obtained in a test or series of tests of the survey procedures in 2025, and (2) up to 7,000 interviews averaging about 110 minutes (main survey) between April 2025 and March 2026.

Frequency: Triennial.

Respondents: U.S. families.

Total estimated number of respondents: 7,150.

Total estimated annual burden hours: 4,410.¹
