Respondents are high school graduates and General Educational Development equivalent who are applying to USAFA.

Acceptance is determined using the information provided by the students. There are multiple sections associated with this information collection. The information collected in these sections is required by title 10 U.S.C. 9446 and used by USAFA officials to select appointees to the Academy.

For example, DoD has asked states to consider remedies to improve school transitions for children in active duty military families to overcome problems with records transfer, class and course placement, qualifying for extra-curricular activities, and fulfilling graduation requirements.

DATES: Consideration will be given to all submissions received by April 25, 2024.
