Submission for OMB Review; Comment Request; Extension: Form F-6-Registration Statement

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Form F-6 (17 CFR 239.36) is a form used by foreign companies to register the offer and sale of American Depositary Receipts (ADRs) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). Form F-6 requires disclosure of information regarding the terms of the depository bank, fees charged, and a description of the ADRs. No special information regarding the foreign company is required to be prepared or disclosed, although the foreign company must be one which periodically furnishes information to the Commission. The information is needed to ensure that investors in ADRs have full disclosure of information concerning the deposit agreement and the foreign company. Form F-6 takes approximately 1.35 hours per response to prepare and is filed by 366 respondents annually. We estimate that 25% of the 1.35 hours per response (0.338 hours) is prepared by the filer for a total annual reporting burden of 124 hours (0.338 hours per response × 366 responses). The information provided on Form F-6 is mandatory to best ensure full disclosure of ADRs being issued in the U.S. All information provided to the Commission is available for public review upon request.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-110, OMB Control No. 3235-0286]

Proposed Collection; Comment Request; Extension: Regulation A (Form 1-A): Small Issuer Exemption From Registration Under the Securities Act and Its Attendant Form

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation A (17 CFR 230.251 through 230.263) provides an exemption from registration under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) for certain limited offerings of securities by issuers who do not otherwise file reports with the Commission. Form 1-A is an offering statement filed under Regulation A. The paperwork burden from Regulation A is imposed through the forms that are subject to the disclosure requirements in Regulation A and is reflected in the analysis of the form. To avoid a Paperwork Reduction Act inventory reflecting duplicative burdens, for administrative convenience we estimate the burden imposed by Regulation A to be a total of one hour. We estimate that approximately 325 issuers file Forms 1-A. We estimate that Form 1-A takes approximately 717.372 hours to prepare. We estimate that 75% of the 717.372 hours per response (538.029 hours) is prepared by the company for a total annual burden of 174,859 hours (538.029 hours per response × 325 responses).

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection
