**SUPPLEMENTARY INFORMATION:**

#### Agenda

The On-Demand Fishing Gear Conflict Working Group (ODWG) will meet to receive an update from the Greater Atlantic Regional Fisheries Office

(GARFO) on the status of Atlantic Large Whale Take Reduction Plan (ALWTRP) gillnet/other trap/pot (OTP) proposed rule as well as an update on on-demand gear activities funded by the Inflation Reduction Act. They will review and have a discussion of gear marking/gear interaction draft white paper. The group will review and have a discussion of Federal and state-by-state regulatory/legislative processes for adopting ropeless gear marking. They will receive a briefing from the Northeast Fisheries Science Center (NEFSC) gear team on on-demand experimental fishing projects as well as a briefing from the Maine Department of Marine Resources (MEDMR) gear team on-demand experimental fishing projects. They will also receive a briefing from NOAA Office of Law Enforcement on on-demand gear training workshops. Updates on other on-demand gear related activity will be discussed. Other business will be discussed as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council’s intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

#### Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Cate O’Keefe, Executive Director, at (978) 465–0492, at least 5 days prior to the meeting date.
