Title: Assessing Equity in Work Requirements and SNAP Employment and Training.

OMB Control Number: 0584-NEW.

Summary of Collection: Section 17 [7 U.S.C. 2026] (a)(1) of the Food and Nutrition Act of 2008, as amended, provides general legislative authority for the planned data collection. It authorizes the Secretary of Agriculture to enter into contracts with private institutions to undertake research that will help improve the administration and effectiveness of SNAP. FNS is conducting this study to identify data available from SNAP State agencies, their E&T provider partners, and other sources that can be used to develop measures to assess equity in the administration of SNAP work requirements and E&T services. The developed measures can be used to determine how and whether States are providing equitable access to SNAP through the administration of work requirements, achieving equitable participation in education and training opportunities through the SNAP E&T program, and adopting program option and discretionary policies and procedures that influence disparities.

Need and Use of the Information: FNS has identified four objectives for this study:

1. Identify areas in the administration of work requirements in SNAP and in SNAP E&T program administration and access where equity issues could occur.
2. Identify and describe the data that could be used to assess access and outcomes in the areas identified in Objective 1.
3. Describe how State agencies address equity in administering work requirements in their SNAP and SNAP E&T programs.
4. Develop recommendations on how FNS should assess and measure equity in the administration of work requirements in SNAP and in SNAP E&T program administration and access.

Description of Respondents: State, Local and Tribal Governments, Businesses, Individuals.

Number of Respondents: 296.

Frequency of Responses: Reporting: Once.

A. Program Description

1. *Purpose of the Program.* This program provides low-interest loans to local lenders (intermediaries) who then relend to businesses to help improve

economic conditions and create jobs in rural communities. This purpose is achieved through the loans made to intermediaries that establish a revolving loan fund for the purpose of providing loans to ultimate recipients to promote community development, establish new businesses, establish and support microlending programs, and create or retain employment opportunities in rural areas. All applicable program requirements in their entirety can be found at 7 CFR part 4274, subpart D.

2. *Statutory and Regulatory Authority.* This program is authorized under section 310H of the Consolidated Farm and Rural Development Act (7 U.S.C. 1936b) and is administered through regulations at 7 CFR part 4274, subpart D.

The Consolidated Appropriations Act, 2024, authorized set-aside funding to projects and intermediaries serving Federally recognized Indian Tribes, and for Mississippi Delta Region Counties (as determined in accordance with Pub. L. 118–42). Eligible applicants for the set-aside funds, assuming that similar set-aside funds are appropriated for Fiscal Year 2025, must demonstrate that at least 75 percent of the benefits of an approved loan in this program will assist ultimate recipients in the designated areas. Applications for any set-aside funds must be submitted to the RD State Office where the project is located by 4:30 p.m. (local time) on the following deadline dates. The deadline to submit completed applications for Federally recognized Indian Tribes and Mississippi Delta Region Counties' projects is May 31, 2025. It is possible that funds may also be appropriated by Congress for projects located in Rural Empowerment Zone/Enterprise Communities/Rural Economic Area Partnership areas. Completed applications for these projects, subject to available funding, must be submitted by July 15, 2025.

3. *Definitions.* The definitions applicable to this notice are published at 7 CFR 4274.302.

4. *Application of Awards.* The Agency will review, evaluate and score applications received in response to this Notice based on the provisions found in 7 CFR 4274.340 and as indicated in this Notice. Awards under the IRP will be made on a competitive basis using specific selection criteria contained in 7 CFR 4274.341(b). The Agency advises all interested parties that the applicant bears the full burden in preparing and submitting an application in response to this notice regardless of whether or not funding is appropriated for the IRP in FY 2025.

D. Application and Submission Information

1. *Address to Request Application Package.* For further information, entities wishing to apply for assistance should contact the USDA RD State Office where they are located, provided in the **ADDRESSES** section of this notice, to obtain copies of the application package. An original copy of the application must be filed with a RD State Office for the state where the Intermediary is located.

The applicant documentation and forms needed for a complete application are in 7 CFR 4274.340. There are no specific formats or limitations on the number of pages required for an application narrative, and applicants may request any Agency forms and addresses from the **ADDRESSES** section of this notice. Any form that requires an original signature, but is signed electronically in the application submission, must be signed in ink by the authorized person prior to the disbursement of funds.

3. *System for Award Management and Unique Entity Identifier.*

(a) At the time of application, each applicant must have an active registration in the System for Award Management (SAM) before submitting its application in accordance with 2 CFR part 25. To register in SAM, entities will be required to obtain a Unique Entity Identifier (UEI). Instructions for obtaining the UEI are available at sam.gov/content/entity-registration.

(c) Applicants must ensure they complete the Financial Assistance

General Certifications and Representations in SAM.

(d) Applicants must provide a valid UEI in its application, unless determined exempt under 2 CFR 25.110.

(e) The Agency will not make an award until the applicant has complied with all SAM requirements including providing the UEI. If an applicant has not fully complied with the requirements by the time the Agency is ready to make an award, the Agency may determine that the applicant is not qualified to receive a Federal award and use that determination as a basis for making a Federal award to another applicant.

4. *Submission Dates and Times.*

Applications, including applications for set-aside funding, must be received by the specified USDA RD State Office by the dates and times as indicated in the **DATES** section of this notice to compete for available funds. If the due date falls on a Saturday, Sunday or federal holiday, the application is due the next business day. The Agency will determine the application receipt date based on the actual date an application is received electronically, in person, or when a paper application is postmarked. The Agency will not solicit or consider new scoring or eligibility information that is submitted after the application deadline. RBCS also reserves the right to ask applicants for clarifying information and additional verification of assertions in the application.

5. *Intergovernmental Review.*

Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs, applies to this program. This E.O. requires that Federal agencies provide opportunities for consultation on proposed assistance with State and local governments. Many states have established a Single Point of Contact (SPOC) to facilitate this consultation. For a list of States that maintain a SPOC, please see the White House website: [whitehouse.gov/omb/management/office-federal-financial-management/](https://www.whitehouse.gov/omb/management/office-federal-financial-management/). If your State has a SPOC, you may submit a copy of the application directly for review. Any comments obtained through the SPOC must be provided to your State Office for consideration as part of your application. If your state has not established a SPOC, you may submit your application directly to the Agency. Indian Tribes are exempt from this requirement.

6. *Funding Restrictions.* The intent of the IRP is identified above in section A.1 of this notice. There are no funding restrictions beyond that the loan proceeds be used for eligible type purposes stated in 7 CFR 4274.320.

Building construction is an eligible use of funds under the program and all projects must be located in a rural area of a State. Any administrative costs must be approved annually by the Agency.

7. *Other Submission Requirements.*

Please note that applicants may locate the downloadable application package for this program by the Assistance Listing Number provided in the Overview section of this notice.

E. Application Review Information

1. *Criteria.* All eligible and complete applications will be evaluated and scored based on the selection criteria and weights contained in 7 CFR 4274.341(b) and in this section of the notice. Failure to address any of the application criteria by the application deadline will result in the application being determined ineligible, and the application will not be considered for funding.

(a) *Discretionary Points.* The Administrator may assign up to 10 discretionary points to an application when under their approval authority. Permissible justifications in accordance with 7 CFR 4274.341(b)(10) are geographic distribution of funds or special President/Secretary of Agriculture initiatives such as local foods, regional development, persistent poverty, energy-related, etc. The number of points to be awarded will be awarded for either or both items. Secretary of Agriculture initiatives include:

(1) Assisting rural communities recover economically through more and better market opportunities and through improved infrastructure. Applicant would receive priority points if the project is located in or serving a rural community whose economic well-being ranks in the most distressed tier (distress score of 80 or higher) of the Distressed Communities Index using the Distressed Communities Look-Up Map available at rd.usda.gov/priority-points.

(2) Ensuring all rural residents have equitable access to RD programs and benefits from RD funded projects. Using the Social Vulnerability Index (SVI) Look-Up Map (available at rd.usda.gov/priority-points), an applicant would receive priority points if:

- The project is located in or serving a community with score 0.75 or above on the SVI;
- The applicant is a Federally recognized Indian Tribe, including Tribal instrumentalities and entities that are wholly owned by Tribes; or
- It is a project where at least 50 percent of the project beneficiaries are members of Federally recognized Indian Tribes and non-Tribal applicants

include a Tribal Resolution of Consent from the Tribe or Tribes that the applicant is proposing to serve.

- The application is from or benefits a Rural Partners Network's (RPN) community network. Currently RPN Networks exist in Alaska, Arizona, Georgia, Kentucky, Mississippi, Nevada, New Mexico, North Carolina, Puerto Rico, West Virginia and Wisconsin. Use the Community Look-Up map (available at www.rd.usda.gov/priority-points) to determine if your project qualifies for priority points.

(3) Reducing climate pollution and increasing resilience to the impacts of climate change through economic support to rural communities. Using the Disadvantaged Community and Energy Community Look-Up Map (available at rd.usda.gov/priority-points), applicants will receive priority in three ways:

- If the project is located in or serves a Disadvantaged Community as defined by the Climate and Economic Justice Screening Tool (CEJST), from the White House Council on Environmental Quality (CEQ);

- If the project is located in or serves an Energy Community as defined by the Inflation Reduction Act of 2022 (Pub. L. 117-169) (IRA); and

- If applicants can demonstrate through a written narrative how the proposed climate-impact projects will improve the livelihoods of community residents and meet pollution mitigation or clean energy goals.

2. *Review and Selection Process.* The RD State Office will review applications to determine if they are eligible for assistance based on the requirements contained in 7 CFR part 4274, subpart D. If determined eligible, the application will be submitted to the National Office for funding competition with all eligible applications received by the quarterly application deadline or the deadline indicated for set-aside funding. The Agency Administrator reserves the right to award up to 10 discretionary points as identified under 7 CFR 4274.341(b)(10).

To distribute funds among the greatest number of projects possible during the respective funding periods, applications will be reviewed, organized and ranked in order from highest to lowest and funded up to the maximum funding available during each quarterly funding cycle in FY 2025.

F. Federal Award Administration Information

1. *Federal Award Notices.* Successful applicants will receive notification for funding from the USDA RD State Office. Applicants must comply with all applicable statutes and regulations

before the loan award will be obligated. An eligible application competing for regular IRP funds, but not selected, will be reconsidered in the three subsequent quarterly funding competitions, for a total of four competitions (and may be considered in a following fiscal year), provided the application and eligibility requirements have not changed. After competing in four consecutive quarterly competitions, any unsuccessful application for regular funds will receive written notification indicating that its application will no longer be considered for funding. Applicants competing for set-aside funding have only one application period per fiscal year to apply for set-aside funding. Unsuccessful applications for set-aside funding will receive written notification indicating that their application was not successful. An applicant with an unsuccessful application for set-aside funding may elect, in writing, to submit its project for IRP regular fund competitions commencing with the next quarterly application period.

(c) Additional requirements that apply to intermediaries selected for this program can be found in 7 CFR part 4274, subpart D.

(d) All successful applicants will be notified by letter which will include a Letter of Conditions and a Letter of Intent to Meet Conditions, which are not approval determinations. The loan will

be considered approved when all conditions in the Letter of Conditions have been met and the Agency obligates the funding for the project.

3. *Reporting*. In addition, all recipients of Federal financial assistance are required to report information about first-tier sub-awards and executive compensation (see 2 CFR part 170). Applicants will be required to have the necessary processes and systems in place to comply with the Federal Funding Accountability and Transparency Act of 2006 (Pub.
