Certain Non-Refillable Steel Cylinders From the People’s Republic of China: Rescission of Countervailing Duty Administrative Review; 2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is rescinding the administrative review of the countervailing duty order on certain non-refillable steel cylinders (non-refillable cylinders) from the People’s Republic of China (China), covering the period of review (POR) January 1, 2023, though December 31, 2023, because, as explained below, there are no reviewable suspended entries for the company subject to this review.

DATES: Applicable September 9, 2024.

FOR FURTHER INFORMATION CONTACT: Peter Zukowski, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0189.

SUPPLEMENTARY INFORMATION:

Background

On May 2, 2024, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the countervailing duty order on non-refillable cylinders from China, covering the period January 1, 2023, though December 31, 2023.¹ On May 28, 2024, Sanjian Kai Yuan Co., Ltd. (SKY) timely requested that Commerce conduct an administrative review.² We received no other requests for review.

On July 5, 2024, Commerce published in the **Federal Register** a notice of initiation of an administrative review with respect to SKY, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).³ On July 10, 2024, Commerce released a memorandum indicating that there were no entries of subject merchandise during the POR based on a U.S. Customs and Border Protection (CBP) entry data query.⁴ Commerce provided parties an opportunity to submit comments on the data query results.⁵ No party submitted comments to Commerce.

On August 8, 2024, Commerce issued a notice of intent to rescind the 2023 administrative review and provided parties with an opportunity to

comment.⁶ No party submitted comments to Commerce.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce’s practice to rescind an administrative review of a countervailing duty order where it concludes that there were no reviewable entries of subject merchandise during the POR for an exporter or producer.⁷ Normally, upon completion of an administrative review, the suspended entries are liquidated at the countervailing duty assessment rate for the review period.⁸ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated countervailing duty assessment rate for the review period.⁹ As noted above, there were no entries of subject merchandise from SKY during the POR. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

Cash Deposit Requirements

As Commerce has proceeded to a final rescission of this administrative review, no cash deposit rates will change. Accordingly, the current cash deposit requirements shall remain in effect until further notice.

Assessment Rates

Commerce will instruct CBP to assess countervailing duties on all appropriate entries. Countervailing duties shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the **Federal Register**.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) finds that revocation of the countervailing duty (CVD) order on circular welded carbon quality steel pipe from the People's Republic of China (China) would be likely to lead to the continuation or recurrence of countervailable subsidies at the levels indicated in the “Final Results of Sunset Review” section of this notice.

On May 16, 2024, within the deadline specified in 19 CFR 351.218(d)(1)(i) and section 771(9)(C) of the Act, Commerce received timely notices of intent to participate from Bull Moose Tube Company, Maruichi American Corporation, and Zekelman Industries,⁴ and from Nucor Tubular Products Inc.⁵ (collectively, the domestic interested parties). Each of the companies claimed to be a domestic interested party as producers of a domestic like product (circular welded carbon quality steel pipe) in the United States.

On May 31, 2024, the domestic interested parties submitted a timely substantive response within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁶ Commerce did not receive a substantive response from the Government of China, a respondent, or any other interested party to this proceeding. On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.⁷ The deadline for the final results is now September 5, 2024.
