Judicial Review

The AIM Act provides that certain sections of the Clean Air Act (CAA) “shall apply to” the AIM Act and actions “promulgated by the Administrator of [EPA] pursuant to [the AIM Act] as though [the AIM Act] were expressly included in title VI of [the CAA].” 42 U.S.C. 7675(k)(1)(C). Among the applicable sections of the CAA is section 307, which includes provisions governing judicial review. 42 U.S.C. 7607(b)(1). Each adjudicatory action establishing an administrative consequence as described in this notice is a final action previously taken by EPA. Under section 307(b)(1) of the CAA, any petition for review of such a final action shall be filed in the United States Court of Appeals for the appropriate circuit by December 6, 2024. Filing a petition for reconsideration by the Administrator does not affect the finality of any such action for purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed and shall not postpone the effectiveness of such action. The final actions described herein may not be challenged later in proceedings to enforce their requirements. 42 U.S.C. 7607(b)(2).
