

the BLM will initiate the approved \$75 per night expanded amenity fee.

The FLREA directs the Secretary of the Interior and Secretary of Agriculture to publish an advance notice in the **Federal Register** whenever new recreation fee areas are established under their respective jurisdictions. In accordance with BLM policy, the Salmon Field Office Recreation Fee Sites Business Plan explains the fee collection process and how fees will be used at this site. The BLM Idaho Resource Advisory Council, functioning as a Recreation Resource Advisory Committee, reviewed and concurred with the proposal to charge fees at Tarpons Roost in May 2024, following the FLREA guidelines. Fee amounts will be posted on-site and at the BLM Salmon Field Office. Copies of the business plan will be available at the BLM Salmon Field Office and BLM Idaho Falls District Office as listed in the **ADDRESSES** section. Any future adjustments in the fee amount will be made following the Salmon Field Office Recreation Fee Sites Business Plan and after consultation with the BLM Idaho Resource Advisory Council and other public notice.

Tarpons Roost was analyzed and approved in the 2018 Continental Divide Trail Cabin Environmental Assessment (DOI-BLM-ID-I040-2012-0034-EA) and subsequent Record of Decision, available at <https://eplanning.blm.gov/eplanning-ui/project/33052/510>. Recreation use fees would be consistent with other established fee sites in the area managed by the BLM and other Federal and State land management agencies.
