

not subject to the *China AD Order*, *Taiwan AD Order*, or *Korea AD Order*.

These suspension of liquidation and cash deposit requirements, when imposed, shall remain in effect until further notice. Failure to comply with the applicable requisite certification requirements may result in the merchandise being subject to AD or CVD duties.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Administrative Protective Order (APO)

This notice also serves as a reminder to parties subject to an APO of their responsibility concerning the destruction or return of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the destruction or return of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these final results of review and this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h) and 351.221(b)(5).

Dated: April 29, 2025.

Christopher Abbott,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

SUPPLEMENTARY INFORMATION:

Agenda

The workshop objective is to prepare for the 2026 specifications process for the final Cook Inlet Salmon SAFE report. This is a technical workshop to address assessment related feedback from the SSC during the 2024 and 2025 assessment cycles. This includes methodological comments on the Tier designations for all 7 stocks as well as the calculation of the overfishing limit (OFL), the minimum stock size threshold (MSST), acceptable biological catch (ABC) and appropriate buffer levels for these stocks. Additional topics will include the structure of the SAFE report, data needs and availability, potential stock prioritization for future consideration and the development of draft risk tables. The agenda is subject to change, and the latest version will be

posted at <https://meetings.npfmc.org/Meeting/Details/3069> prior to the meeting, along with meeting materials.
