### Foreign-Trade Zones Board

[B-27-2025]

#### Foreign-Trade Zone (FTZ) 102, Notification of Proposed Production Activity; Tight Line Composites LLC; (Carbon Fiber Profiles for Wind Turbine Spar Caps); Earth City, Missouri

Tight Line Composites LLC (Tight Line) submitted a notification of proposed production activity to the FTZ Board (the Board) for its facility in Earth City, Missouri, within FTZ 102. The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on April 21, 2025.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status materials/components and the specific finished product described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website—accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

The proposed finished product is carbon fiber profiles (duty rate is duty-free).

The proposed foreign-status materials/components include carbon fiber tow, epoxy resin, and woven nylon 6,6 peel ply fabric (in widths not exceeding 300mm) (duty rate ranges from duty-free to 6.1%). The request indicates that certain materials/components may be subject to duties under section 1702(a)(1)(B) of the International Emergency Economic Powers Act (section 1702) or section 301 of the Trade Act of 1974 (section 301), depending on the country of origin. The applicable section 1702 and section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign (PF) status (19 CFR 146.41). The request also indicates that Epoxy Resin is subject to an antidumping/countervailing duty (AD/CVD) investigation if imported from China, India, South Korea, Taiwan, or Thailand. The Board's regulations (15 CFR 400.13(c)(2)) require that merchandise subject to AD/CVD orders, or items which would be otherwise

subject to suspension of liquidation under AD/CVD procedures if they entered U.S. customs territory, be admitted to the zone in PF status.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is June 16, 2025.

A copy of the notification will be available for public inspection in the "Online FTZ Information System" section of the Board's website.

For further information, contact Luke Engan at [Luke.Engan@trade.gov](mailto:Luke.Engan@trade.gov).

Dated: April 30, 2025.

##### Agenda

The open session will include working group reports, open business discussions, and industry presentations. The closed session will include discussion of matters determined to be exempt from the open meeting and public participation requirements found in sections 1009(a)(1) and 1009(a)(3) of the Federal Advisory Committee Act (FACA) (5 U.S.C. 1001-1014).

##### Closure Determination

A Senior Advisor, performing the Non-Exclusive Functions and Duties of the Chief Financial Officer and Assistant Secretary for Administration, with the concurrence of the delegate of the General Counsel, formally determined, pursuant to 5 U.S.C. 1009(d), that the portion of the meeting dealing with pre-decisional changes to the Commerce Control List and the U.S. export control policies shall be exempt from the provisions relating to public meetings found in 5 U.S.C. 1009(a)(1) and 1009(a)(3). The remaining portions of the meeting will be open to the public. The exemption is authorized by section 1009(d) of the FACA, which permits the closure of advisory committee meetings, or portions thereof, if the head of the agency to which the advisory committee reports determines such meetings may be closed to the public in accordance with subsection (c) of the Government in the Sunshine Act (5 U.S.C. 552b(c)). In this case, the applicable provisions of 5 U.S.C. 552b(c) are subsection 552b(c)(4), which permits closure to protect trade secrets and commercial or financial information that is privileged or confidential, and subsection 552b(c)(9)(B), which permits closure to protect information that would be likely to disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action.
