The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. 1. Statement of Employer—20 CFR 404.801-404.803-0960-0030. When workers report they received wages from employers, but cannot provide proof of those earnings, and the wages do not appear in SSA's records of earnings, SSA uses Form SSA-7011-F4, Statement of Employer, to document the alleged wages. Specifically, the agency uses the form to resolve discrepancies in the individual's Social Security earnings record and to process claims for Social Security benefits. SSA only sends Form SSA-7011-F4 to employers if we are unable able to locate the earnings information within our own records. The respondents are employers who can verify wage allegations made by wage earners.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars)*	Total annual opportunity cost (dollars)**
SSA-7011-F4	750	1	30	375	*\$32.66	**\$12,248

* We based this figure on average U.S. worker's hourly wages, as reported by Bureau of Labor Statistics data (https://www.bls.gov/oes/current/oes_nat.htm#00-0000).

** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. *There is no actual charge to respondents to complete the application.*

2. Supplement to Claim of Person Outside the United States—20 CFR 422.505(b), 404.460, 404.463, and 42 CFR 407.27(c)—0960-0051. Claimants or beneficiaries (both United States (U.S.) citizens and aliens entitled to benefits) living outside the U.S. complete Form SSA-21 as a supplement to an application for benefits. SSA collects the information to determine eligibility for U.S. Social Security benefits for those months an alien

beneficiary or claimant is outside the U.S., and to determine if tax withholding applies. In addition, SSA uses the information to: (1) Allow beneficiaries or claimants to request a special payment exception in an SSA restricted country; (2) terminate supplemental medical insurance coverage for recipients who request it, because they are, or will be, out of the U.S.; and (3) allow claimants to collect a lump sum death benefit if the number

holder died outside the United States and we do not have information to determine whether the lump sum death benefit is payable under the Social Security Act. The respondents are Social Security claimants, or individuals entitled to Social Security benefits, who are, were, or will be residing outside the United States for three months or longer.

Type of Request: Revision of an OMB-approved information collection.
