OFFICE OF PERSONNEL MANAGEMENT

Submission for Review: Renewal of an Existing Information Collection, CAHPS Enrollee Survey; OMB Control No. 3206-0274

AGENCY: Office of Personnel Management.

CAHPS® surveys ask consumers and patients to report on and evaluate their experiences with health care. These surveys cover topics that are important to consumers and focus on aspects of quality that consumers are best qualified to assess, such as the communication skills of providers and ease of access to health care services.

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

Program Description

OPM uses the CAHPS results as part of the FEHB and PSHB Plan Performance Assessment (PPA). The PPA enables a consistent, objective evaluation of carrier performance and also provides more transparency for enrollees. This assessment uses a discrete set of quantifiable measures to examine key aspects of performance in the areas of clinical quality, customer service, and resource use. Six CAHPS

measures are part of this discrete set of quantifiable measures.

Taken together with more traditional assessments of contract administration, these measures help ensure that enrollees receive high quality, affordable healthcare and a positive customer experience. The PPA is linked to carrier profit and adjustment factors. FEHB and PSHB contracts include language to incorporate the PPA as a determinant of the Service Charge or Performance Adjustment.
