SUPPLEMENTARY INFORMATION

Background

On December 13, 2024, Commerce published the *Preliminary Results* of this administrative review and invited interested parties to comment.¹ On December 9, 2024, Commerce tolled certain deadlines in this review by 90 days.² The deadline for the final results is now July 8, 2025. For a full description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.³

Scope of the Order⁴

The merchandise covered by this Order is aluminum foil from Türkiye. For a complete description of the scope of this Order, see the Preliminary Decision Memorandum.

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁵ For a full description of the methodology underlying all of Commerce’s conclusions, see the Issues and Decision Memorandum.

Changes Since the Preliminary Results

Based on comments received from interested parties, we made certain changes to the subsidy rate calculations for Assan Aluminium Sanayi ve Ticaret A.S. (Assan) and Panda Aluminium A.S. (Panda) from the *Preliminary Results*.⁶

Final Results of Review

We determine that, for the period January 1, 2022, through December 31, 2022, the following total net countervailable subsidy rates exist:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)
Assan Aluminium Sanayi ve Ticaret A.S. ⁷	1.10
Panda Aluminium A.S. ⁸	1.46

Disclosure

Commerce intends to disclose the calculations performed for these preliminary results to interested parties within five days after public announcement, or if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

⁵ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

⁶ For a full description of changes, see Issues and Decision Memorandum.

⁷ As discussed in the Issues and Decision Memorandum, Commerce has found the following companies to be cross-owned with Assan: Ispak Esnek Ambalaj Sanayi A.S.; and Kibar Holding A.S. We note that Assan has an affiliated trading company through which it exported certain subject merchandise, Kibar Dis Ticaret A.S. (Kibar Dis). Therefore, because Kibar Dis’ subsidies are included as part of Assan’s total subsidy rate, we
