arithmetic function, clerical errors resulting from inaccurate copying, duplication, or the like, and any other type of unintentional error which the administering authority considers ministerial.” With respect to final results of administrative reviews, 19 CFR 351.224(e) provides that Commerce “will analyze any comments received and, if appropriate . . . correct any ministerial error by amending . . . the final results of review.”

Ministerial Error

Commerce has determined that the error alleged by CS Wind constitutes a ministerial error within the meaning of section 751(h) of the Act and 19 CFR 351.224(f).⁴ Specifically, we find that we made an inadvertent error in the application of the exchange rate in the benefit calculation for the import duty exemption program. Pursuant to 19 CFR 351.224(e), Commerce is amending the *Final Results* to reflect the correction of the ministerial error. The revised net subsidy rate is provided below.

For a detailed discussion of the aforementioned ministerial error allegation, as well as Commerce’s analysis of CS Wind’s comments, see the Ministerial Error Memorandum.⁵

Amended Final Results of Review

As a result of the correction of the ministerial error, we determine that the countervailable subsidy rate for CS Wind is as follows:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)
CS Wind Malaysia Sdn. Bhd	1.95

Disclosure

Commerce intends to disclose the calculations performed in connection with these amended final results of review to interested parties within five days after public announcement of the amended final results or, if there is no public announcement, within five days of the date of publication of the notice of amended final results in the **Federal Register**, in accordance with 19 CFR 351.224(b).

⁵ *Id.*

Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the amended final results of this review for the above-listed company at the applicable *ad valorem* assessment rate. We intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the amended final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount shown for CS Wind on shipments of subject merchandise entered, or withdrawn from warehouse for consumption, on or after the date of publication of the final results of this administrative review. The cash deposit requirement, effective upon publication of the final results of this review, shall remain in effect until further notice.
