The Annual Survey of School System Finances is a comprehensive source of prekindergarten through 12th grade public elementary-secondary school system finance data collected on a nationwide scale. This survey and the Annual Surveys of State and Local Government Finances (OMB No. 0607–0585) are conducted as part of the Census Bureau’s State and Local Government Finance program. This comprehensive and ongoing time series collection of school district finances maintains historical continuity in the state and local government statistics community.

This data collection is cosponsored by and coordinated with the National Center for Education Statistics (NCES) under interagency agreement in conjunction with the National Public Education Financial Survey (NPEFS) (OMB #1850–0067) and the School-Level Finance Survey (SLFS) (OMB #1850–0930).
