• *Regulation:* 24 CFR 990.145(b)(2): Dwelling Units with Approved Vacancies  
*Project/Activity:* Regulatory Waivers and Administrative Flexibilities During a Presidentially Declared Disaster, for Public Housing Agencies During CY 2024 and CY 2025 FR-6438-N-01 (February 5, 2024)  
*Nature of Requirement:* If a PDD PHA has one or more units that have been vacated due to a PDD, then the PDD PHA, with HUD approval, may treat the unit as an “approved vacancy.” Upon the request of a PDD PHA and HUD approval, on a case-by-case basis,

such units may be considered approved vacancies for the time approved by HUD. Effective date of vacant unit must align with the date of the emergency/or significant disaster event that resulted in the PDD.  
*Reason Waived:* Disaster impacted the ability of families to provide the necessary documentation verifying eligibility, thus delaying the ability of the PHA to provide assistance to the family. Notice FR-6438-N-01 allows administrative flexibilities during presidentially declared disasters using a streamlined process. This allows families to

be housed more quickly in the aftermath of a disaster when the need for and access to housing is hampered by the disaster.
