Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on February 28, 2025 (90 FR 10941). Submit written comments about, or requests for a copy of, this ICR by mail or courier to the U.S. Department of Labor, Employment and Training—Job Corps, 200 Constitution Ave. NW, N-4459, Washington DC 20210; by email: [JobCorps-DPCP@dol.gov](mailto:JobCorps-DPCP@dol.gov).

**FOR FURTHER INFORMATION CONTACT:** Michelle Mills at [JobCorps-DPCP@dol.gov](mailto:JobCorps-DPCP@dol.gov).

**Authority:** 44 U.S.C. 3506(c)(2)(A).

**SUPPLEMENTARY INFORMATION:** DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information

before submitting them to the Office of Management and Budget (OMB) for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

Authorized by the 2014 Workforce Innovation and Opportunity Act (WIOA), Job Corps is administered federally through the Department of Labor, Employment and Training Administration, Office of Job Corps. Applicant and student data are maintained in accordance with the Department of Labor's (Department) Privacy Act System of Records Notice (SORN) DOL/GOVT-2 Job Corps Student Records. These forms collect initial data to determine eligibility and to collect socio-demographic characteristics and employment barrier information that are required for reporting under WIOA, and are used for program planning, evaluation, and reporting purposes. Revisions to the collection of information include: (1) incorporating plain language, (2) removing redundancies to streamline operations, and (3) updating application information to align with Job Corps admissions policies. This collection also adds the customer interest form, which is the initial piece of the application in which applicants express interest in the program and create an account.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1205-0025.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. DOL encourages commenters not to include personally identifiable
