- Enhance the quality, utility, and clarity of the information to be collected.

- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of Proposed Collection

Pursuant to ITAR § 123.10, a completed "Nontransfer and Use

Certificate" (OMB No. 1405-0021, Form DSP-83) must be received by DDTC for the export of significant military equipment and classified articles, including classified technical data. Pursuant to ITAR § 124.10, a completed "Nontransfer and Use Certificate" must be submitted with any manufacturing license agreement or technical assistance agreement that relates to significant military equipment or classified defense articles, including classified technical data. In both cases, the foreign consignee (if applicable), foreign end-user, and applicant execute this form. By signing the certificate the foreign end-user certifies that they will not, except as specifically authorized by prior written approval of the Department of State, re export, resell or otherwise dispose of the defense articles enumerated in the application (1) outside the foreign country named as the country of ultimate destination; or (2) to any other person. With respect to agreements that involve classified articles or classified technical data, an authorized representative of the foreign government must also sign the form.

Methodology

This information collection may be sent to the Directorate of Defense Trade Controls via the following methods: electronically or mail.

Michael J. Vaccaro,

Deputy Assistant Secretary for Defense Trade Controls, U.S. Department of State.
