Notice of Request for Public Comments on Section 232 National Security Investigation of Imports of Wind Turbines and Their Parts and Components

AGENCY: Bureau of Industry and Security, Office of Strategic Industries

and Economic Security, U.S. Department of Commerce.

ACTION: Notice of request for public comments.

SUMMARY: On August 13, 2025, the Secretary of Commerce initiated an investigation to determine the effects on the national security of imports of wind turbines and their parts and components. This investigation has been initiated under section 232 of the Trade Expansion Act of 1962, as amended (Section 232). Interested parties are invited to submit written comments, data, analyses, or other information pertinent to the investigation to the Department of Commerce's (Department) Bureau of Industry and Security (BIS), Office of Strategic Industries and Economic Security. This notice identifies issues on which the Department is especially interested in obtaining the public's views.

DATES: Comments may be submitted at any time but must be received by September 9, 2025.

ADDRESSES: Comments on this notice may be submitted to the Federal rulemaking portal at: www.regulations.gov. The www.regulations.gov ID for this notice is BIS-2025-0191. Please refer to XRIN 0694-XC133 in all comments.

All filers using the portal should use the name of the person or entity submitting the comments as the name of their files, in accordance with the instructions below. Anyone submitting business confidential information should clearly identify the business confidential portion at the time of submission, file a statement justifying nondisclosure and referring to the specific legal authority claimed, and provide a non-confidential version of the submission.

For comments submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters "BC." Any page containing business confidential information must be clearly marked "BUSINESS CONFIDENTIAL" on the top of that page. The corresponding non-confidential version of those comments must be clearly marked "PUBLIC." The file name of the non-confidential version should begin with the character "P." Any

submissions with file names that do not begin with either a "BC" or a "P" will be assumed to be public and will be made publicly available at: <https://www.regulations.gov>. Commenters submitting business confidential information are encouraged to scan a hard copy of the non-confidential version to create an image of the file, rather than submitting a digital copy with redactions applied, to avoid inadvertent redaction errors which could enable the public to read business confidential information.

FOR FURTHER INFORMATION CONTACT: Stephen Astle, Director, Defense Industrial Base Division, Office of Strategic Industries and Economic Security, Bureau of Industry and Security, U.S. Department of Commerce, (202) 482-4506, WindTurbines232@bis.doc.gov. SUPPLEMENTARY INFORMATION:

Background

On August 13, 2025, the Secretary of Commerce initiated an investigation under Section 232 (19 U.S.C. 1862) to determine the effects on national security of imports of wind turbines and their parts and components.

Request for Public Comments

This investigation is being undertaken in accordance with part 705 of the National Security Industrial Base Regulations (15 CFR parts 700 to 709) (NSIBR). Interested parties are invited to submit written comments, data, analyses, or information pertinent to this investigation to BIS's Office of Strategic Industries and Economic Security no later than September 9, 2025. The Department is particularly interested in comments and information directed at the criteria listed in § 705.4 of the regulations as they affect national security, including the following:

(i) the current and projected demand for wind turbines and their parts and components in the United States;

(ii) the extent to which domestic production of wind turbines and their parts and components can meet domestic demand;

(iii) the role of foreign supply chains, particularly of major exporters, in meeting United States demand for wind
