Title: Document Evidence Submission (VA Form 20-10208).

OMB Control Number: 202508-2900-0004. <https://www.reginfo.gov/public/do/PRAsearch>.

(Once at this link, you can enter the OMB Control Number to find the historical versions of this Information Collection).

Type of Review: New collection.

Abstract: VA Form 20-10208 (previously under OMB control number 2900-0877) is used by claimants submitting additional evidence or information in support of a claim or used to update information on a claimant's VA account. This proposal requests to assign a new control number and an additional use by a claimant when submitting evidence as part of a

pre-discharge claim. Without this information, VA would not be able to efficiently and successfully process and associate evidence or information of record to a claimant's file which could negatively affect adjudication and decisions made by VA. The increase in burden is due to the associated burden from the previous control number with the additional respondents from this proposed modification.

Affected Public: Individuals or Households.

Estimated Annual Burden: 6,832 hours.

Estimated Average Burden per Respondent: 5 minutes.

Frequency of Response: One time.

Estimated Number of Respondents: 81,981 per year.
