**SUPPLEMENTARY INFORMATION:**

**I. Background**

The purpose of the Rental Housing Finance Survey (RHFS) is to provide a current and continuous measure of the financial, mortgage and property characteristics of single-family and multifamily rental housing properties in the United States. The survey provides information on the financing of rental housing properties with emphasis on new originations for purchase, refinancing, and loan terms associated with these originations. In addition, the survey includes information on property characteristics, such as number of units, amenities available, rental income, operating costs, and capital expenditure information. The RHFS presents a full picture of the financing of rental housing, which is much more fragmented than the market for owner-occupied mortgages that is well documented by the private sector and supported by HUD, the Government Sponsored Enterprises, Fannie Mae and Freddie Mac, the Department of Veterans' Affairs, the U.S. Department of Agriculture's Rural Housing Service, and banks. The RHFS is the only data source with detailed information on the mortgage financing of multifamily rental properties with two or more units. RHFS data, tables, and documentation can be found here: <https://www.census.gov/programs-surveys/rhfs.html>.

**II. Specific Information Requested**

HUD is soliciting information from the public on uses of RHFS data and other comments or concerns about the RHFS. HUD welcomes all comments relevant to the RHFS. HUD is particularly interested in receiving input from interested parties, including

government policy makers, academic researchers, and RHFS data users, on the questions outlined below.

1. What important data in the RHFS does the public use to analyze current rental housing finance characteristics and/or forecast future rental housing finance characteristics?

2. What concerns are there related to reducing the scope of, or eliminating entirely, the RHFS?

3. Is there any current RHFS content that is no longer relevant or has limited usefulness? Is there content that should be added to the RHFS?

4. Are there private sector data sources that provide comparable information to the RHFS?

5. Are there other concerns about content that is included or missing in the RHFS?

**Mortgage and Loan Insurance Programs Under the National Housing Act—Debenture Interest Rates**

**AGENCY:** Office of the Assistant Secretary for Housing, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice announces changes in the interest rates to be paid on debentures issued with respect to a loan or mortgage insured by the Federal Housing Administration under the provisions of the National Housing Act (the Act). The interest rate for debentures issued under Section 221(g)(4) of the Act during the 6-month period beginning July 1, 2025, is 4<sup>3</sup>/<sub>8</sub> percent. The interest rate for debentures issued under any other provision of the Act is the rate in effect on the date that the commitment to insure the loan or mortgage was issued, or the date that the loan or mortgage was endorsed (or initially endorsed if there are two or more endorsements) for insurance, whichever rate is higher. The interest rate for debentures issued under these other provisions with respect to a loan or mortgage committed or endorsed during the 6-month period beginning July 1, 2025, is 4<sup>5</sup>/<sub>8</sub> percent.

**FOR FURTHER INFORMATION CONTACT:**

Eden Teklebrhane, Department of Housing and Urban Development, 451 Seventh Street SW, Room 5146,

Washington, DC 20410-8000; telephone (202) 402-2746 (this is not a toll-free number).

HUD welcomes and is prepared to receive calls from individuals who are deaf or hard of hearing, as well as individuals with speech or communication disabilities. To learn more about how to make an accessible telephone call, please visit <https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs>.

**SUPPLEMENTARY INFORMATION:** Section 224 of the National Housing Act (12 U.S.C. 1715o) provides that debentures issued under the Act with respect to an insured loan or mortgage (except for debentures issued pursuant to Section 221(g)(4) of the Act) will bear interest at the rate in effect on the date the commitment to insure the loan or mortgage was issued, or the date the loan or mortgage was endorsed (or initially endorsed if there are two or more endorsements) for insurance, whichever rate is higher. This provision is implemented in HUD's regulations at 24 CFR 203.405, 203.479, 207.259(e)(6), and 220.830. These regulatory provisions state that the applicable rates of interest will be published twice each year as a notice in the **Federal Register**.

Section 224 further provides that the interest rate on these debentures will be set from time to time by the Secretary of HUD, with the approval of the Secretary of the Treasury, in an amount not in excess of the annual interest rate determined by the Secretary of the Treasury pursuant to a statutory formula based on the average yield of all outstanding marketable Treasury obligations of maturities of 15 or more years.

The Secretary of the Treasury (1) has determined, in accordance with the provisions of Section 224, that the statutory maximum interest rate for the period beginning July 1, 2025, is 4<sup>5</sup>/<sub>8</sub> percent; and (2) has approved the establishment of the debenture interest rate by the Secretary of HUD at 4<sup>5</sup>/<sub>8</sub> percent for the 6-month period beginning July 1, 2025. This interest rate will be the rate borne by debentures issued with respect to any insured loan or mortgage (except for debentures issued pursuant to Section 221(g)(4)) with insurance commitment or endorsement date (as applicable) within the next 6 months of 2025).

For convenience of reference, HUD is publishing the following chart of debenture interest rates applicable to mortgages committed or endorsed since January 1, 1980:
