OMB Control Number: 1845–0141.
 Type of Review: Reinstatement with change to a previously approved ICR.
 Respondents/Affected Public: Individuals or Households.

Total Estimated Number of Annual Responses: 43,200.

Total Estimated Number of Annual Burden Hours: 7,344.

Abstract: This is a request for a reinstatement with change of the FSA Feedback System, OMB Control 1845–0141. On March 10, 2015, the White House issued a Student Aid Bill of Rights. Among the objectives identified was the creation of a centralized complaint and feedback system that is now resident and supported at Federal Student Aid (FSA).

The purpose of the system is to meet the objective of creating a responsive student feedback system for Feedback & Dispute Management, Borrower Defense, Risk/Fraud Management, Awareness & Outreach, and other smaller business deliveries. The solution enables customer contacts tracking and information sharing solutions that exist in a singular, centralized data management structure to resolve customer issues; to inform ongoing business decisions concerning FSA products, services, and where needed, to inform on existing, or in-progress education policies/decisions. Students and borrowers are able to ensure that their complaints and feedback will be directed to the right party. Proposed updates to the collection will allow the Department to quickly respond to issues and strengthen its efforts to protect the integrity of the student financial aid programs.
