Interested parties are invited to comment on these preliminary results of review.

**SUPPLEMENTARY INFORMATION:**

**Background**

On May 23, 2023, Commerce published the antidumping duty (AD) order on mushrooms from the Netherlands.<sup>1</sup> On May 30, 2024, Commerce received a request for an administrative review from Okechamp.<sup>2</sup> On July 5, 2024, based on this timely request for review, and in accordance with 19 CFR 351.221(c)(1)(i), Commerce initiated this administrative review of the *Order*.<sup>3</sup>

On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>4</sup> On December 9, 2024, Commerce further tolled certain deadlines by an additional 90 days.<sup>5</sup> On April 15, 2025, Commerce extended the deadline for these preliminary results until no later than August 6, 2025.<sup>6</sup> Finally, on August 6, 2025, Commerce fully extended the deadline for these preliminary results to September 5, 2025.<sup>7</sup>

For detailed summary of the events that occurred since the *Initiation Notice*, see the Preliminary Decision Memorandum.<sup>8</sup> The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). **Scope of the Order**

The merchandise covered by the scope of the *Order* is mushrooms from the Netherlands. For a full description of the scope of the *Order*, see the Preliminary Decision Memorandum.

**Methodology**

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act, and NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

**Preliminary Results of Review**

Commerce preliminarily determines the following weighted-average dumping margin exists for the period November 3, 2022, through April 30, 2024:

Exporter/producer	Weighted-average dumping margin (U.S. dollars per kilogram of net drained weight)
Okechamp B.V. ....	0.44

**Disclosure**

Commerce intends to disclose the calculations and analysis performed to interested parties for these preliminary results within five days after public announcement or, if there is no public announcement, within five days after the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

**Public Comment**

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice.<sup>9</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the date for filing case briefs.<sup>10</sup> Interested parties who submit case or rebuttal briefs in this proceeding must submit: (1) a statement of the issue; (2) a brief

<sup>9</sup> See 19 CFR 351.309.

<sup>10</sup> See 19 CFR 351.309(d); see also *Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings*, 88 FR 67069, 67077 (September 29, 2023) (*APO and Final Service Rule*).

summary of the argument; and (3) a table of authorities.<sup>11</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this administrative review, we instead request that interested parties provide at the beginning of their briefs a public executive summary for each issue raised in their briefs.<sup>12</sup> Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>13</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Hearing requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the respective case briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined and will notify the parties through ACCESS.<sup>14</sup> Parties should confirm the date, time, and location of the hearing two days before the scheduled date. All submissions, including case and rebuttal briefs, as well as hearing requests, should be filed using ACCESS. An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline.

#### Assessment Rates

Upon completion of the administrative review, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess,

antidumping duties on all appropriate entries covered by this review.<sup>15</sup> Commerce intends to issue assessment instruction to CBP no earlier than 35 days after the date of publication of the final results in the **Federal Register**. For Okechamp, whose weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.50 percent), we will calculate importer- (or customer-) specific per-unit AD assessment rates by dividing the total amount of dumping calculated for the examined sales made to that importer (or customer) by the total quantity associated with those sales. To determine whether an importer-specific, per-unit assessment rate is *de minimis*, in accordance with 19 CFR 351.106(c)(2), we also will calculate an importer-specific *ad valorem* ratio based on estimated entered values.

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>16</sup>

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for each specific company listed above will be equal to the weighted-average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate

will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate established in the less-than-fair-value investigation (*i.e.*, 132.97 percent).<sup>17</sup>

Based on an analysis of Okechamp's submitted entered value data, we have determined that there is a substantial difference between Okechamp's net unit price for its entries of mushrooms and the entered value reported to CBP. While Commerce normally directs CBP to collect cash deposits on an *ad valorem* basis, we are not required to do so by statute or by our regulations and have in the past used quantity-based rates where appropriate.<sup>18</sup> As such, we intend to direct CBP to collect cash deposits from Okechamp on a per-unit basis upon completion of the final results of this review. These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### Notification to Interested Parties

Commerce is issuing and publishing the preliminary results of this review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4) and 19 CFR 351.213d(4).

**Certain Softwood Lumber Products From Canada: Amended Final Results of Antidumping Duty Administrative Review; 2023**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) is amending the final results of the administrative review of the antidumping duty (AD) order on certain softwood lumber products (softwood lumber) from Canada to correct certain ministerial and typographical errors. The period of review (POR) is January 1, 2023, through December 31, 2023.

**DATES:** Applicable September 11, 2025.

**FOR FURTHER INFORMATION CONTACT:** Thomas Martin or Joshua Jacobson, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3936 or (202) 482-0266, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

On July 29, 2025, Commerce published, in the *Federal Register*, the *Final Results* of the administrative review of the AD order on softwood lumber from Canada for this POR.<sup>1</sup> On August 5 and 6, 2025, we received

timely-filed ministerial error allegations from Canfor<sup>2</sup> and West Fraser,<sup>3</sup> the mandatory respondents in this administrative review.<sup>4</sup> On August 11, 2025, we received comments on West Fraser's ministerial error allegations from the Committee Overseeing Action for Lumber International Trade Investigations or Negotiations (the petitioner).<sup>5</sup> We are amending the *Final Results* to correct the ministerial errors raised by Canfor.<sup>6</sup> Further, pursuant to our correction of the *Final Results* with respect to Canfor, we are revising our calculation of the dumping margin for the non-selected companies.<sup>7</sup> Additionally, this notice corrects the names of two non-examined companies that Commerce listed incorrectly in the *Final Results*.

**Legal Framework**

Section 751(h) of the Tariff Act of 1930, as amended (the Act), defines a "ministerial error" as including "errors in addition, subtraction, or other arithmetic function, clerical errors resulting from inaccurate copying, duplication, or the like, and any other unintentional error which the administering authority considers ministerial."<sup>8</sup> With respect to final results of administrative reviews, 19 CFR 351.224(e) provides that Commerce "will analyze any comments received and, if appropriate, correct any . . . ministerial error by amending the final results of review . . . ."

**Ministerial Errors**

In the *Final Results*, we made certain revisions to our preliminary results

<sup>2</sup> As described in the *Final Results* IDM at 1, n.2, we have treated Canfor Corporation, Canadian Forest Products Ltd. (CFP), Canfor Wood Products Marketing Ltd., Canfor Fox Creek Ltd. and Canfor Whitecourt Ltd. (collectively, Canfor) as a single entity.

<sup>3</sup> As described in the *Final Results* IDM at 1, n.3, we have treated West Fraser Mills Ltd., Blue Ridge Lumber Inc., Manning Forest Products Ltd., and Sundre Forest Products Inc. (collectively, West Fraser) as a single entity.

<sup>4</sup> See Canfor's Letter, "Canfor's Ministerial Error Comments," dated August 5, 2025 (Canfor's Ministerial Error Allegations); see also West Fraser's Letter, "Request for Correction of Ministerial Errors in the Antidumping Duty Administrative Review Calculations," dated August 6, 2025 (West Fraser's Ministerial Error Allegations).

<sup>5</sup> See Petitioner's Letter, "Reply to West Fraser's Comments Concerning Ministerial Errors," dated August 11, 2025 (Petitioner's Comments).

<sup>6</sup> See Memorandum, "Analysis of Ministerial Error Allegations," dated concurrently with this notice (Ministerial Error Memorandum).

<sup>7</sup> See Memorandum, "Calculation of the Rate for Non-Selected Respondents," dated concurrently with this notice (Non-Selected Rate Analysis Memorandum). A list of the non-selected companies under review is included here as Appendix I.

<sup>8</sup> See 19 CFR 351.224(f).

calculations for Canfor.<sup>9</sup> In its ministerial error comments, Canfor alleged that Commerce made two errors regarding the calculation of Canfor's general and administrative (G&A) expenses.

We agree with Canfor that we made two ministerial errors in calculating Canfor's G&A expenses in the *Final Results*, pursuant to section 751(h) of the Act and 19 CFR 351.224(f), and have amended our calculations to correct these errors.<sup>10</sup> We also revised our calculation of the dumping margin for the non-selected companies.<sup>11</sup>

In its ministerial error comments, West Fraser alleged that Commerce mistakenly used the wrong databases in calculating West Fraser's final weighted-average dumping margin. In its rebuttal comments, the petitioner argued that Commerce used the only data available in calculating West Fraser's final dumping margin, and thus that West Fraser's allegations cannot be considered ministerial errors pursuant to section 735(e) of the Act and 19 CFR 351.224(f).

We disagree with West Fraser that we made a ministerial error in the *Final Results*, pursuant to section 751(h) of the Act and 19 CFR 351.224(f), and thus have not amended our calculations with respect to West Fraser.

Pursuant to 19 CFR 351.224(e), we are amending the *Final Results* to correct the ministerial errors with regards to Canfor's allegations. In doing so, the calculation of the weighted-average dumping margin for Canfor changes from 35.53 percent to 35.47 percent.<sup>12</sup> Additionally, we are also amending the rate for the companies not selected for individual examination in this review, based on the weighted-average dumping margins calculated for the mandatory respondents,<sup>13</sup> from 20.56 percent to 20.53 percent.<sup>14</sup> For a
