[Docket No. CP25–545–000]

Florida Gas Transmission Company, LLC; Notice of Request Under Blanket Authorization and Establishing Intervention and Protest Deadline

Take notice that on September 5, 2025, Florida Gas Transmission Company, LLC (FGT), 1300 Main St., Houston, Texas 77002, filed in the above referenced docket, a prior notice request pursuant to sections 157.205 and 157.208 of the Commission's regulations under the Natural Gas Act (NGA), and FGT's blanket certificate issued in Docket No. CP82–553–000, for authorization to reduce the permanent Maximum Allowable Operating Pressure (MAOP) of FGT's Tampa South Tap delivery facilities and Brandon Tap delivery facilities, on FGT's Tampa South Lateral located in Hillsborough County, Florida. The project is referred to as the Tampa South Tap & Brandon Tap MAOP Reduction Project (Project). The project will allow FGT to maintain compliance with the Pipeline and Hazardous Materials Safety Administration regulations and provide a more efficient operation. Lowering the MAOP of the Tampa South Tap and Brandon Tap will ensure FGT's continued safe operation of the facilities while eliminating additional unnecessary expenditures and will abrogate potential environmental impacts that would result from pipeline replacement. The proposed MAOP reduction will not affect FGT's ability to meet its current contractual obligations and will not result in any abandonment of service to its customers, all as more fully set forth in the request which is on file with the Commission and open to public inspection.
