

DEPARTMENT OF COMMERCE**National Institute of Standards and Technology****Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; NIST Generic Clearance for Program Evaluation Data Collections**

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on June 17, 2025 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Institute of Standards and Technology (NIST), Commerce.

Title: NIST Generic Clearance for Program Evaluation Data Collections.

OMB Control Number 0693–0033.

Form Number(s): None.

Type of Request: Regular submission, extension of a current information collection.

Number of Respondents: 40,000.

Average Hours per Response: Varied dependent upon the individual data collection. Response time could be 2 minutes for a response card or 1 hour for a more structured collection instrument. The overall average response time is expected to be 30 minutes.

Burden Hours: 20,000.

Needs and Uses: In accordance with Executive Order 12862, the National Institute of Standards and Technology (NIST), a non-regulatory agency of the Department of Commerce, proposes to conduct a number of surveys—both quantitative and qualitative—designed to evaluate our current programs from a customer's perspective. NIST proposes to perform program evaluation data collections by means of, but not limited to, focus groups, reply cards that accompany product distributions, and Web-based surveys and dialogue boxes that offer customers the opportunity to express their views on the programs they are asked to evaluate. NIST will limit its inquiries to data collections

that solicit strictly voluntary opinions and will not collect information that is required or regulated. Steps will be taken to assure anonymity of respondents in each activity covered under this request.

Affected Public: Individuals or households; Business or other for-profit organizations; Not-for-profit institutions; State, Local, or Tribal government; Federal government.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function and entering either the title of the collection or the OMB Control Number 0693–0033.

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Notification; availability of a proposed evaluation and pending determination for public comment.

SUMMARY: Notice is hereby given that NMFS has received a Hatchery and Genetics Management Plan (HGMP) for a hatchery program rearing and releasing summer-run chum salmon in the Dungeness River basin. The plan describes a hatchery program operated by Washington Department of Fish and Wildlife (WDFW) in collaboration with the Jamestown S'Klallam Tribe as co-managers. This document serves to notify the public of the availability and opportunity to comment on a Proposed

Evaluation and Determination Documents (PEPD) on implementing the proposed hatchery program and enforcing the associated HGMP, which concludes that it will not appreciably reduce the likelihood of survival and recovery nor modify or destroy critical habitat of Hood Canal summer-run chum salmon, Puget Sound Chinook salmon, or Puget Sound steelhead. The HGMP is available online concurrently while the comment period for the PEPD is open at: <https://jamestowntribe.org/announcements/dungeness-summer-chum-hgmp/>.

DATES: Comments must be received at the appropriate address (see **ADDRESSES**) no later than 5 p.m. Pacific time on October 20, 2025. Comments received after this date may not be considered.

ADDRESSES: You may submit comments on this document, identified by NOAA–NMFS–2025–0834, by electronic submission:

- *Electronic submission:* Submit all electronic public comments via the Federal e-Rulemaking Portal. Visit <https://www.regulations.gov> and type NOAA–NMFS–2025–0834 in the Search box. Click on the “Comment” icon, complete the required fields, and enter or attach your comments.

Instructions: Comments sent by any other method, to any other address or individual, or received after the end of the comment period, may not be considered by NMFS. All comments received are a part of the public record and will generally be posted for public viewing on <https://www.regulations.gov> without change. All personal identifying information (*e.g.*, name, address, *etc.*), confidential business information, or otherwise sensitive information submitted voluntarily by the sender will be publicly accessible. NMFS will accept anonymous comments (enter “N/A” in the required fields if you wish to remain anonymous).

The document available for public comment is available on the internet at <https://www.fisheries.noaa.gov/action/dungeness-hatcheries-plans>.
