SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: United States Naval Academy Sponsor Program; OMB Control Number 0703-0054.

Needs and Uses: USNA Plebe Sponsor Program is a unique program offered through the Naval Academy that pairs midshipmen with faculty, staff, and local community area families to provide local support and a "home away from home" for midshipmen that is mutually beneficial to both the midshipman and the sponsor. This information collection is needed to determine the eligibility and overall compatibility between sponsor applicants and fourth-class midshipmen at the USNA. In their first year, midshipmen desiring to participate in the program are assigned a sponsor from the local community area. An analysis of the information collected is performed by the Sponsor Program Officer in Charge to best match sponsor with a midshipman. Without this information collection, the sponsor program would not be able to determine if a sponsor family was "safe" to place a midshipman with nor appropriately match the interests of the midshipman with those of the sponsor family.
