

by reference.³⁸⁴ In addition, the Exchange will notify Options Members whenever Cboe, NYSE, or FINRA proposes a change to a cross-referenced Cboe, NYSE, or FINRA rule.³⁸⁵

Using its authority under Section 36 of the Act, the Commission previously exempted certain SROs from the requirement to file proposed rule changes under Section 19(b) of the Act.³⁸⁶ Each such exempt SRO agreed to be governed by the incorporated rules, as amended from time to time, but has not been required to file a separate proposed rule change with the Commission each time the SRO whose rules are incorporated by reference seeks to modify its rules. Each exempt SRO had procedures in place to provide written notice to its members each time a change is proposed to the incorporated rules of another SRO in order to provide its members with notice of a proposed rule change that affects their interests, so that they would have an opportunity to comment on it.

The Commission is granting the Exchange’s request for an exemption, pursuant to Section 36 of the Act, from the rule filing requirements of Section 19(b) of the Act with respect to the rules that the Exchange proposes to incorporate by reference into the rules of IEX Options. This exemption is appropriate in the public interest and consistent with the protection of investors because it will promote more efficient use of Commission and SRO resources by avoiding duplicative rule filings based on simultaneous changes to identical rule text sought by more than one SRO. Consequently, the Commission grants the Exchange’s exemption request for IEX Options. This exemption is conditioned upon the Exchange providing written notice to Options Members whenever Cboe, NYSE or FINRA proposes to change a rule that IEX Options has incorporated by reference.

³⁸⁴ See *id.*

³⁸⁵ The Exchange represents that it will provide such notice through a posting on the same website location where the Exchange will post its own rule filings pursuant to Rule 19b-4(l) under Act, within the time frame required by that rule. The website posting will include a link to the location on the Cboe, NYSE, or FINRA websites where the proposed rule change is posted. See *id.* at 26884, n.199.

³⁸⁶ See, e.g., MEMX Options Order, *supra* note 133 (granting an application by MEMX LLC for an exemption pursuant to section 36(a) under the Act) and Securities Exchange Act Release No. 91877 (May 12, 2021), 86 FR 26997 (May 18, 2021) (granting an application for an exemption pursuant to section 36(a) under the Act by Nasdaq PHLX LLC).

V. Conclusion

For the foregoing reasons, the Commission finds that the proposal, as modified by Amendment No. 3, is consistent with the Act and the rules and regulations thereunder applicable to a national securities exchange.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change, as modified by Amendment No. 3 (SR–IEX–2025–02) be, and it hereby is, approved.

It is further ordered, pursuant to Section 36 of the Act,³⁸⁷ that IEX shall be exempted from the rule filing requirements of Section 19(b) of the Act³⁸⁸ with respect to the Cboe, FINRA, and NYSE rules that IEX proposes to incorporate by reference in IEX Rules 27.250 and 29.120, subject to the conditions specified in this order.

By the Commission.

Vanessa A. Countryman,
Secretary.
