

III. Proposal To Add a New Test Standard to the NRTL Program’s List of Appropriate Test Standards

Periodically, OSHA will propose to add new test standards to the NRTL Program’s List of Appropriate Test Standards following an evaluation of the test standard document. To qualify as an appropriate test standard, the agency evaluates the document to: (1) verify it represents a product category for which OSHA requires certification by a NRTL; (2) verify the document represents a product and not a component; and (3) verify the document defines safety test

specifications (not installation or operational performance specifications). OSHA becomes aware of new test standards through various avenues. For example, OSHA may become aware of new test standards by: (1) monitoring notifications issued by certain standards developing organizations; (2) reviewing applications by NRTLs or applicants seeking recognition to include new test standards in their scopes of recognition; and (3) obtaining notification from manufacturers, manufacturing organizations, government agencies, or other parties. OSHA may determine to include a new test standard in the list,

for example, if the test standard is for a particular type of product that another test standard also covers or it covers a type of product that no standard previously covered.

In this notice, OSHA proposes to add one new test standard to the NRTL Program’s List of Appropriate Test Standards. Table 2, below, lists the test standard that is new to the NRTL Program. OSHA preliminarily determines that this test standard is an appropriate test standard. OSHA seeks public comment on this preliminary determination.

TABLE 2—STANDARD OSHA PROPOSES TO ADD TO THE NRTL PROGRAM’S LIST OF APPROPRIATE TEST STANDARDS

Test standard	Test standard title
UL 3300	Service, Communication, Information, Education and Entertainment Robots—SCIEE Robots.

IV. Preliminary Findings on the Application

UL submitted an acceptable application for expansion of the scope of recognition. OSHA’s review of the application file and related material preliminarily indicates that UL can meet the requirements prescribed by 29 CFR 1910.7 for expanding recognition to include the addition of the test standard listed above for NRTL testing and certification. This preliminary finding does not constitute an interim or temporary approval of UL’s application.

OSHA also preliminarily determined that the test standard listed above is an appropriate test standard.

OSHA seeks public comment on these preliminary determinations.

V. Public Participation

OSHA welcomes public comment as to whether UL meets the requirements of 29 CFR 1910.7 for expansion of recognition as a NRTL and whether the test standard listed above is an appropriate test standard that should be included in the NRTL Program’s List of Appropriate Test Standards. Comments should consist of pertinent written documents and exhibits.

Commenters needing more time to comment must submit a request in writing, stating the reasons for the request by the due date for comments. OSHA will limit any extension to 10 days unless the requester justifies a longer time period. OSHA may deny a request for an extension if it is not adequately justified.

To review copies of the exhibits identified in this notice, as well as comments submitted to the docket, contact the Docket Office, Occupational Safety and Health Administration, U.S.

Department of Labor. These materials also are generally available online at <https://www.regulations.gov> under Docket No. OSHA–2009–0025 (for further information, see the “Docket” heading in the section of this notice titled **ADDRESSES**).

OSHA staff will review all comments to the docket submitted in a timely manner and after addressing the issues raised by these comments, make a recommendation to the Assistant Secretary for Occupational Safety and Health on whether to grant UL’s application for expansion of its scope of recognition and to add the test standard listed above to the NRTL Program’s List of Appropriate Test Standards. The Assistant Secretary will make the final decision on granting the application and on adding the test standard listed above to the NRTL Program’s List of Appropriate Test Standards. In making these decisions, the Assistant Secretary may undertake other proceedings prescribed in Appendix A to 29 CFR 1910.7.

OSHA will publish a public notice of its final decision in the **Federal Register**.

VI. Authority and Signature

Amanda Laihow, Acting Assistant Secretary of Labor for Occupational Safety and Health, authorized the preparation of this notice. Accordingly, the agency is issuing this notice pursuant to 29 U.S.C. 657(g)(2), Secretary of Labor’s Order No. 7–2025 (90 FR 27878, June 30, 2025), and 29 CFR 1910.7.

Signed at Washington, DC, on September 24, 2025.

Amanda Laihow,
Acting Assistant Secretary of Labor for Occupational Safety and Health.

DEPARTMENT OF LABOR

Office of Workers’ Compensation Programs

Agency Information Collection Activities; Comment Request; Claim for Reimbursement of Benefit Payments and Claims Expense Under the War Hazards Compensation Act; Correction

AGENCY: Division of Federal Employees’ Compensation, Office of Workers’ Compensation Programs, US Department of Labor.

ACTION: Request for public comments; correction.

SUMMARY: The Department of Labor (DOL) is correcting a notice that appeared in the **Federal Register** on September 10, 2025, at 90 FR 43642. The information provided in the Background section contained an error. DOL is issuing this correction to provide the correct information.

FOR FURTHER INFORMATION CONTACT: Anjanette Suggs, Office of Workers’ Compensation Programs, OWCP at suggs.anjanette@dol.gov (email); (202) 354–9660 (phone).

SUPPLEMENTARY INFORMATION: In FR Doc 2025–17326 appearing at 90 FR 436462 in the **Federal Register** of September 10, 2025, on page 43642 in the 1st column,

the following corrections are made to the Current Actions section:

Under “OWCP/DFEC Forms” a form was omitted. The Notice of Injury or Disease and Claim for Benefits under the War Hazards Compensation Act (WH-1) should have also been listed as a form added to this collection and the burden totals are corrected as below.

Currently, OWCP utilizes the CA-278 form for insurance carriers and self-insured to request reimbursement. The form is used for submission of reimbursement requests. While the form is also used for initial claim intake, it was not designed for this purpose. There is currently no adequate form for beneficiaries to file initial claims under the WHCA.

Under section 1701, the WHCA states that compensation for injury or death resulting from a war-risk hazard may be claimed by person covered as specified in this section of the WHCA. Section 1701 provides the authority to administer benefits for persons covered under the WHCA. The CA-278 form exists that allows insurance carriers or self-insured to claim reimbursements of benefits paid due to an injury or death resulting from a covered War Hazard under the WHCA.

To this end, the Department of Labor is proposing a new form allowing beneficiaries to file a claim under the WHCA. This new form, WH-1, will simplify the process of filing an initial claim for benefits and gather the necessary information to expedite claim decisions and reimbursements. The regulations under the WHCA and the FECA that support the creation of the new WH-1 form are also the regulations used to implement the existing CA-278 form. Therefore, the revision to the existing OMB Control No. 1240-0006 will include the new WH-1 form.

OMB Control Number: 1240-0006.

Number of Respondents: 14.

Number of Responses: 2,528.

Annual Burden Hours: 1,264 hours.

Annual Respondent or Recordkeeper Cost: \$5,840.00.

Comments submitted in response to this notice will be summarized in the request for Office of Management and Budget approval of the proposed information collection request; they will become a matter of public record and will be available at <https://www.reginfo.gov>.

Anjanette Suggs,
Certifying Officer.

NATIONAL CREDIT UNION ADMINISTRATION

[NCUA-2025-0543]

The NCUA Staff Draft 2026-2027 Budget

AGENCY: National Credit Union Administration (NCUA).

ACTION: Notice.

SUMMARY: The NCUA’s staff draft “detailed business-type budget” is being made available for public review as required by federal statute. The proposed resources will finance the agency’s annual operations and capital projects, both of which are necessary for the agency to accomplish its mission of protecting the system of cooperative credit and its member-owners through effective chartering, supervision, regulation, and insurance. Comment instructions are included in the supplementary information section. The schedule for a public hearing about the budget will be announced in a future notice.

DATES: Written comments may be submitted by October 24, 2025.

ADDRESSES: You may submit written comments by October 24, 2025, through the Federal eRulemaking Portal: <https://www.regulations.gov>. The docket number is NCUA-2025-0543. Follow the instructions for submitting comments.

Copies of the NCUA Staff Draft 2026-2027 Budget and associated materials are also available on the NCUA website at <https://www.ncua.gov/About/Pages/budget-strategic-planning/supplementary-materials.aspx>.

FOR FURTHER INFORMATION CONTACT: Melissa M. Lowden, Acting Chief Financial Officer, National Credit Union Administration, 1775 Duke Street, Alexandria, Virginia 22314-3428, or telephone: (703) 518-1182.

SUPPLEMENTARY INFORMATION: The following itemized list details the sections in this Notice made available for public review:

- I. Introduction
- II. The NCUA Budget in Brief
- III. Key Themes of the Proposed 2026-2027 Budget
- IV. Operating Budget
- V. Capital Budget
- VI. Share Insurance Fund Administrative Budget
- VII. Financing the NCUA’s Programs
- VIII. Appendix: Supplemental Budget Information

Section 212 of the Economic Growth, Regulatory Relief, and Consumer Protection Act amended 12 U.S.C. 1789(b)(1)(A) to require the NCUA

Board (Board) to “on an annual basis and prior to the submission of the detailed business-type budget make publicly available and publish in the **Federal Register** a draft of the detailed business-type budget.” Although 12 U.S.C. 1789(b)(1)(A) requires publication of a “business-type budget” only for the agency operations arising under the Federal Credit Union Act’s subchapter on insurance activities, in the interest of transparency the Board is providing the NCUA’s entire staff draft budget for 2026-2027 in this Notice.

The staff draft budget details the resources required to support NCUA’s mission. The staff draft budget includes personnel and dollar estimates for three major budget components: (1) the Operating Budget; (2) the Capital Budget; and (3) the Share Insurance Fund Administrative Budget. The resources proposed in the staff draft budget are to carry out the agency’s operations in 2026 and 2027. This document is a draft, staff-level budget proposal made available to the NCUA Board members and the public for their consideration and comment. The NCUA Board directed the NCUA Executive Director to develop the staff draft budget under delegated authority. The staff draft budget may change based on public comments, Board member decisions, and staff’s ongoing consideration of estimates and programs that impact the budget.

The NCUA Chief Financial Officer will present the staff draft budget at a budget hearing open to the public, the schedule for which will be announced in a future notice.

Written comments on the staff draft budget will be accepted by October 24, 2025, through the Federal eRulemaking Portal: <https://www.regulations.gov>. The docket number is NCUA-2024-0543. Commenters should follow the portal instructions for submitting comments.

All comments should provide specific, actionable recommendations about the staff draft budget rather than general remarks. The NCUA Board will review and consider any comments from the public prior to approving the NCUA 2026-2027 budget.

By the National Credit Union Administration Board on September 25, 2025.

Melane Conyers-Ausbrooks,
Secretary of the Board.
