**Request for Comment on Information Collection Proposal**

The Board invites public comment on the following information collection, which is being reviewed under authority delegated by the OMB under the PRA. Comments are invited on the following:

- a. Whether the proposed collection of information is necessary for the proper performance of the Board's functions, including whether the information has practical utility;
- b. The accuracy of the Board's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;
- c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

### Proposal Under OMB Delegated Authority To Extend for Three Years, With Revision, the Following Information Collection

*Collection title:* Report of Net Debit Cap and Max Cap Resolution.

*Collection identifier:* FR 2226.

*OMB control number:* 7100–0217.

*General description of collection:* The Report of Net Debit Cap and Max Cap Resolution comprises three resolutions, which are filed by a depository institution's board of directors depending on its needs. Federal Reserve Banks collect these data annually to provide information that is essential for their administration of the Board's Payment System Risk (PSR) policy.

*Proposed revisions:* The Board proposes to revise the FR 2226 to take into account existing recordkeeping provisions in the PSR policy that have not been included in previous clearances. The resolutions and self-assessment supporting documentation should be retained for review by the institution's primary supervisor.

*Frequency:* Annually.

*Respondents:* Depository Institutions with a master account at an Administrative Reserve Bank.

*Total estimated number of respondents:* 825.

*Total estimated change in burden:* 206.

*Total estimated annual burden hours:* 1,096.
