Federal Aviation Administration

[Docket No. FAA-2025-0800]

Agency Information Collection

Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Unmanned Aircraft Systems (UAS) Support Center Case Management System (CMS)

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval for a renewal of an information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on June 2nd, 2025. The collection involves a public form on the *faa.gov* website to streamline how stakeholders’ questions are answered in a timely manner. Specifically, the Contact Customer Support form allows the public and other stakeholders to ask the FAA questions, as well as get the appropriate answer or information they need to operate their UAS or drone safely. The information to be collected will be used to and/or is necessary because it allows the UAS Integration Office to collect the appropriate information about the stakeholder’s name, preferred method of communications email address, phone number, zip code, type of flyer that would allow the Support Center Analysts to more efficiently answer the customer’s specific question.

DATES: Written comments should be submitted by October 29, 2025.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Jose Skinner by email at: Jose.Skinner@faa.gov; phone: 817-222-5283.

SUPPLEMENTARY INFORMATION:

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA’s

performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information.

OMB Control Number: 2120-0810.

Title: Unmanned Aircraft Systems (UAS) Support Center Case Management System (CMS).

Form Numbers: Customer Inquiry form; Customer Inquiry Status Check Form.

Type of Review: This is a renewal of an information collection.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on June 2nd, 2025 (90 FR 23414). Unmanned Aircraft Systems (UAS) Support Center Case Management System (CMS) streamlines how respondents’ questions are answered. Specifically, the UAS Support Center CMS Customer Inquiry form allows the public and other stakeholders to ask the FAA questions, as well as get the appropriate answer/information that is needed to operate their UAS or drone safely. The UAS Support Center has a publicly available form to submit inquiries. This form allows the UAS Support Center to collect the appropriate information about the respondent’s name (*i.e.*, first and last), preferred method of communications (*i.e.*, email or phone), email address, phone number, zip code (if needed), self-identification of type of flyer (*i.e.*, recreational, commercial/business, public safety, local government, educational/research, Eyewitness Report, Unsure, and other), the subject of the inquiry, and inquiry/question). This information allows the UAS Support Center Analysts more information to efficiently answer the respondent’s specific question. The respondents public form process starts with submitting an inquiry by using the public webform, shared email inbox, or by calling the UAS Support Center Analysts. Once the public user submits an inquiry, they will receive an automated system email receipt that includes inquiry reference number, created date, “tell us about yourself,” subject, and their inquiry/question. The public users can also use the inquiry status public page to check their inquiry status. For a public user to check the status of an inquiry, the system requires the user to have and enter the reference number and email address that is used to when creating the inquiry. Once the system confirms that the email address and reference number match with the
