DEPARTMENT OF JUSTICE

Drug Enforcement Administration

Grace S. Joanita, N.P.; Decision and Order

On February 6, 2023, the Drug Enforcement Administration (DEA or Government) issued an Order to Show Cause (OSC) to Grace S. Joanita, N.P., of Cincinnati, Ohio (Registrant). Request for Final Agency Action (RFAA), Exhibit (RFAAX) 1, Attachment (Attach.) F, at 1, 4. The OSC proposed the revocation of Registrant’s DEA registration, No. MJ5209677, alleging that Registrant materially falsified her December 7, 2021 renewal application for registration. *Id.* at 2 (citing 21 U.S.C. 824(a)(1)).¹

On July 5, 2023, the Government submitted an RFAA to the Administrator requesting that the Agency issue a default final order revoking Registrant’s registration. RFAA, at 1-3. After carefully reviewing the entire record and conducting the analysis as set forth in detail below, the Agency finds that Registrant is in default and finds that Registrant materially falsified her renewal application. Accordingly, the Agency grants the Government’s RFAA and revokes Registrant’s registration.

I. Default Determination

Under 21 CFR 1301.43, a registrant entitled to a hearing who fails to file a

timely hearing request “within 30 days after the date of receipt of the [OSC] . . . shall be deemed to have waived their right to a hearing and to be in default” unless “good cause” is established for the failure. 21 CFR 1301.43(a), (c)(1). In the absence of a demonstration of good cause, a registrant who fails to timely file an answer also is “deemed to have waived their right to a hearing and to be in default.” 21 CFR 1301.43(c)(2).

The OSC notified Registrant of her right to file a written request for a hearing and an answer, and that if she failed to file such a request and answer, she would be deemed to have waived her right to a hearing and to be in default.² RFAAX 1, Attach. F, at 2-3 (citing 21 CFR 1301.43). Registrant did not request a hearing, file an answer, or respond to the OSC in any way. RFAA, at 1-3. Accordingly, Registrant is in default. 21 CFR 1301.43(c)(1); RFAA, at 1-3.

“A default, unless excused, shall be deemed to constitute a waiver of the [registrant’s] right to a hearing and an admission of the factual allegations of the [OSC].” 21 CFR 1301.43(e). Because Registrant is in default and has not moved to excuse the default, the Agency finds that Registrant has admitted to the factual allegations in the OSC. 21 CFR 1301.43(c)(1), (e), (f)(1).

Further, “[i]n the event that [a registrant] . . . is deemed to be in default . . . DEA may then file a request for final agency action with the Administrator, along with a record to support its request. In such circumstances, the Administrator may enter a default final order pursuant to

² Based on the Government’s submissions in its RFAA dated July 5, 2023, the Agency finds substantial record evidence that service of the OSC on Registrant was adequate. Specifically, the Declaration from a DEA Diversion Investigator (DI) indicates that on February 10, 2023, DI served the OSC on Registrant in-person. RFAAX 1, at 3.

In addition to DI’s Declaration regarding service, the Government attached to the RFAA several substantive evidentiary exhibits that relate to the OSC allegations. Because this matter is a default, only the facts in the OSC are deemed to be admitted, and any facts found based on supplementary information submitted by the Government must be established by record evidence that meets the appropriate evidentiary standard. *See Victor Augusto Silva, M.D.*, 90 FR 16002, 16002 n.4 (2025) (finding that “a registrant’s deemed admission of the factual allegations based on a default applies to the facts in the OSC only”); *see also Hayriye Gok, M.D.*, 90 FR 30266, 30266 n.2 (2025).

¹ The Government further alleged that Registrant committed acts inconsistent with the public interest. RFAAX 1, Attach. F, at 1-2 (citing 21 U.S.C. 823(g)(1)(E)). However, due to the Agency’s finding that Registrant submitted a materially false application, which serves as an independent basis for sanction under 21 U.S.C. 824(a)(1), the Agency declines to analyze the public interest allegation.
