SUPPLEMENTARY INFORMATION: As required by the Paperwork Reduction Act of 1995, 44 U.S.C. 3506(c)(2), OPM is soliciting comments for this collection. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on April 25, 2025, at 90 FR 17471. The 60-day comment period closed June 24, 2025. Two (2) comments were received. One commenter commented on OPM changing information to align with E.O. 14168. The commenter responded to OPM’s plans to change information relating to gender by raising concerns of discrimination, impacts on mental health and health equity, labor rights and equal access, accessibility of digital access for low-income and rural communities, enforcement

transparency, and the impact of federal workers’ dignity. OPM thanks the commenter for their submission. As a federal agency, OPM must comply with Section 3(e) of E.O. 14168 requiring forms to list an individual’s sex as male or female and not request gender identity.

The other commenter recommended a National Health Care System and prohibition of private insurance of any kind. OPM thanks the commenter for the input and has determined this comment is outside the scope of this Paperwork Reduction Act (PRA) activity.

The Office of Management and Budget is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of functions of the agency, including whether the information will have practical utility;

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
