SUPPLEMENTARY INFORMATION:

A. Binational Panel AD/CVD Reviews Under the USMCA

Article 10.12 of the USMCA provides that a party involved in an AD/CVD proceeding may obtain review by a binational panel of a final AD/CVD determination of one USMCA Party with respect to the products of another USMCA Party. Binational panels decide whether AD/CVD determinations are in accordance with the domestic laws of the importing USMCA Party using the standard of review that would have been applied by a domestic court of the importing USMCA Party. A panel may uphold the AD/CVD determination, or may remand it to the national administering authority for action not inconsistent with the panel's decision. Panel decisions may be reviewed in specific circumstances by a 3-member extraordinary challenge committee, selected from a separate roster composed of 15 current or former judges.

Article 10.11 of the USMCA provides that a USMCA Party may refer an amendment to the AD/CVD statutes of another USMCA Party to a binational panel for a declaratory opinion as to whether the amendment is inconsistent with the General Agreement on Tariffs and Trade (GATT), the WTO Antidumping or Subsidies Agreements, successor agreements, or the object and purpose of the USMCA with regard to the establishment of fair and predictable conditions for the progressive liberalization of trade while maintaining effective and fair disciplines on unfair trade practices. If the panel finds that the amendment is inconsistent, the two USMCA Parties must consult and seek to achieve a mutually satisfactory solution.

B. Roster and Composition of Binational Panels

Annex 10–B.1 of the USMCA provides for the maintenance of a roster of at least 75 individuals for service on Chapter 10 binational panels, with each USMCA Party selecting at least 25 individuals. A separate five-person panel is formed for each review of a final AD/CVD determination or statutory amendment. The majority of individuals on each panel must consist of lawyers in good standing, and the chair of the panel must be a lawyer.

When there is a request to establish a panel, roster members from the two involved USMCA Parties will complete a disclosure form that is used to identify possible conflicts of interest or appearances thereof. The disclosure form requests information regarding
