**SUPPLEMENTARY INFORMATION:**

**Background and Authority**

The National Telecommunications and Information Administration (NTIA), part of the U.S. Department of Commerce, is the President’s principal advisor on telecommunications and information policy issues. NTIA’s programs and policymaking focus largely on expanding broadband internet access and adoption in America, expanding the use of spectrum by all users, advancing public safety communications, and ensuring that the internet remains an engine for innovation and economic growth. This includes examining how broadband access is used in different contexts, including in educational settings. Pursuant to our authorities under 47 U.S.C. 902(b)(2)(M), NTIA will host a public listening session to gather stakeholder perspectives that will inform NTIA’s ongoing research.

**Time and Date:** NTIA will convene the public listening session on December 10, 2025, from 12:00 p.m. to 1:30 p.m., Eastern Standard Time. The exact time of the meeting is subject to change. Please refer to NTIA’s website <https://www.ntia.gov>, for the most current information.

**Place:** The meeting will be held virtually, with dial-in information to be posted at <https://www.ntia.gov>. Please refer to NTIA’s website, <https://www.ntia.gov> for current information.

The virtual meeting is open to the public and the press on a first-come, first-served basis. The virtual meeting is accessible to people with disabilities. Individuals requiring accommodations such as real-time captioning, sign language interpretation or other ancillary aids should notify the Department at [kids@ntia.gov](mailto:kids@ntia.gov) at least seven (7) business days prior to the meeting. Access details for the meeting

are subject to change. Please refer to NTIA’s website, <https://www.ntia.gov>, for the most current information.

Dated: November 24, 2025.

**SUPPLEMENTARY INFORMATION:**

*Title; Associated Form; and OMB Number:* Emergency Mass Notification System; OMB Control Number 0701-0162.

*Needs and Uses:* The Air Force Life Cycle Management Center Command, Control, Communications, Intelligence, and Networks Directorate provides standardized enterprise capabilities across the entire AF in accordance with AF Instruction 10-206, Operational Reporting, as authorized by 5 U.S.C. 7902—Safety Programs and 10 U.S.C. 9013—Secretary of the Air Force. This effort will implement and sustain a cloud based, enterprise-wide AF solution for the Emergency Mass

Notification System (EMNS). The AF requires a single notification system to send alert notifications to assigned military personnel, family members, and contractors quickly and effectively in an emergent event. The EMNS will increase the situational awareness for Airmen families and contractors, regardless of their physical location, to enable protective measures when tragic events or emergencies occur. This effort will address the gaps in the notification process.

*Affected Public:* Individuals or households.

**SUPPLEMENTARY INFORMATION:**

*Title; Associated Form; and OMB Number:* Spouse Education and Career Opportunities (SECO) Program; OMB Control Number 0704-0556.

*Type of Request:* Revision.

*Number of Respondents:* 24,247.

*Responses per Respondent:* 1.

*Annual Responses:* 24,247.

*Average Burden per Response:* 30 minutes.

*Annual Burden Hours:* 12,124.

*Needs and Uses:* The DoD SECO

Program is the primary source of education, career and employment counseling for all military spouses who are seeking post-secondary education, training, licenses and credentials needed for portable career employment. The SECO system delivers the resources and tools necessary to assist spouses of service members with career exploration/discovery, career education and training, employment readiness, and career connections at any point within the spouse career lifecycle. It is imperative that the DoD collect data to ensure that the SECO program is meeting its overarching goal of increasing employment opportunities for military spouses. The DoD requires the information in the proposed collection for program planning and management purposes. Collected information will ensure that the SECO program will be able to collect relevant metrics and make determinations of program viability and improvement. Additionally, the data collected is utilized to build a spouse profile that allows information to be saved over time and to prepopulate information into tools such as resume builders and career and education planning resources.

*Affected Public:* Individuals or households.
