Administrative Law Judge with jurisdiction pursuant to 10 CFR 2.318(a); or (c) if another officer has been designated to rule on information access issues, then with that officer.

If challenges to the NRC staff determinations are filed, these procedures give way to the normal process for litigating disputes concerning access to information. Interlocutory review by the Commission on orders ruling on such NRC staff determinations (whether granting or denying access) is governed by 10 CFR 2.311.[3]

I. The Commission expects that the NRC staff and presiding officers (and any other reviewing officers) will consider and resolve requests for access to SUNSI, and motions for Protective Orders, in a timely fashion in order to minimize any unnecessary delays in identifying those petitioners who have standing and who have propounded contentions meeting the specificity and basis requirements in 10 CFR part 2. The attachment to this Order summarizes the general target schedule for processing and resolving requests under these procedures.

It is so ordered.

Dated: November 28, 2025.

For the Nuclear Regulatory Commission.

Carrie Safford,

Secretary of the Commission.

Attachment 1—General Target Schedule for Processing and Resolving Requests for Access to Sensitive Unclassified Non-Safeguards Information in This Proceeding

Day	Event/activity
0	Publication of **Federal Register** notice of hearing or opportunity for hearing, including order with instructions for access requests.
10	Deadline for submitting requests for access to Sensitive Unclassified Non-Safeguards Information (SUNSI) which contains information: (i) supporting the standing of a potential party identified by name and address; and (ii) describing the need for the information in order for the potential party to participate meaningfully in an adjudicatory proceeding.
60	Deadline for submitting petition for intervention which contains: (i) demonstration of standing; and (ii) all contentions whose formulation does not require access to SUNSI (+25 Answers to petition for intervention; +7 petitioner/requestor reply).
20	U.S. Nuclear Regulatory Commission (NRC) staff informs the requestor of the staff's determination whether the request for access provides a reasonable basis to believe standing can be established and demonstrates the need for SUNSI. (NRC staff also informs any party to the proceeding whose interest independent of the proceeding would be harmed by the release of the information.) If NRC staff makes the finding of need for SUNSI and likelihood of standing, NRC staff begins document processing (i.e., preparation of redactions or review of redacted documents).
25	If NRC staff finds no ''need'' or no likelihood of standing, the deadline for petitioner/requestor to file a motion seeking a ruling to reverse the NRC staff's denial of access; NRC staff files copy of access determination with the presiding officer (or Chief Administrative Judge or other designated officer, as appropriate). If NRC staff finds ''need'' for SUNSI, the deadline for any party to the proceeding whose interest independent of the proceeding would be harmed by the release of the information to file a motion seeking a ruling to reverse the NRC staff's grant of access.
30	Deadline for NRC staff's reply to motions to reverse NRC staff determination(s).
40	(Receipt +30) If NRC staff finds standing and need for SUNSI, deadline for NRC staff to complete information processing and file motion for Protective Order and proposed Non-Disclosure Agreement or Affidavit. Deadline for applicant/licensee to file proposed Non-Disclosure Agreement or Affidavit for SUNSI.
A	If access is granted: issuance of presiding officer or other designated officer decision on motion for Protective Order for access to SUNSI (including schedule for providing access and submission of contentions) or decision reversing a final adverse determination by the NRC staff.
A + 3	Deadline for filing executed Non-Disclosure Agreements or Affidavits. Access provided to SUNSI consistent with decision issuing the Protective Order.
A + 28	Deadline for submission of contentions whose development depends upon access to SUNSI. However, if more than 25 days remain between the petitioner's receipt of (or access to) the information and the deadline for filing all other contentions (as established in the notice of hearing or notice of opportunity for hearing), the petitioner may file its SUNSI contentions by that later deadline.
A + 53	(Contention receipt +25) Answers to contentions whose development depends upon access to SUNSI.
A + 60	(Answer receipt +7) Petitioner/Intervenor reply to answers.
>A + 60	Decision on contention admission.

SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235–0771]

Agency Information Collection Activities; Proposed Collection; Comment Request; Extension: Rule 3a71–3(d)

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (SEC or ''Commission'') is soliciting comments on the proposed collection of information.

Rule 3a71–3 under the Exchange Act provides in part that, for purposes of determining whether they can avail themselves of the *de minimis* exception to the ''security-based swap dealer'' definition, non-U.S. persons must count certain dealing transactions with non-U.S. counterparties that have been ''arranged, negotiated, or executed'' by personnel in the United States. Rule 3a71–3(d) provides an exception from that ''arranged, negotiated, or executed'' counting requirement. The information collection is required to obtain or retain a benefit and the information is used by the Commission to monitor compliance with the exception to provisions of Exchange Act Rule 3a71–3 that otherwise would require non-U.S. persons to count—against the thresholds associated with the *de minimis* exception to the ''security-based swap dealer'' definition—security-based swap dealing transactions with non-U.S. counterparties when U.S. personnel arrange, negotiate, or execute those transactions.

The Commission continues to estimate that up to 24 entities may seek to rely on the exception to the *de minimis* counting requirement of Rule 3a71–3. In connection with the conditions to the exception, each of those up to 24 entities would make use of an affiliated registered security-based swap dealer or registered broker. In general, the registered entity would be required to comply with the collections of information. Applications for ''listed jurisdiction'' status may be submitted by the up to 24 relying entities, but the staff believes that the greater portion of such applications will be submitted by foreign financial authorities.

The Commission continues to estimate that the aggregate yearly reporting burden for Rule 3a71–3(d), for all respondents, is approximately 235,242.44 hours per year. In addition, to account for inflation, the Commission estimates that the aggregate annual cost for all of Rule 3a71–3(d) for all respondents is approximately $1,359,778.96 per year. A detailed break-down of the burdens applicable to each type of entity is provided in the supporting statement.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC's estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via email to *PaperworkReductionAct@sec.gov* by February 2, 2026. There will be a second opportunity to comment on this SEC request following the **Federal Register** publishing a 30-Day Submission Notice.

Dated: November 28, 2025.

Stephanie Fouse,

Assistant Secretary.
